Chapter 64 How can you be so... so cruel?

This time, Ya Molian must be forced to marry her!

However, she really underestimated Ya Molian's heart. Before she could finish her words, she heard Ya Molian's voice, which sounded coldly, "Go somewhere else, don't dirty my house." 's yard.

"you....."

Ya Nian'er was shocked by his words. She didn't expect that Ya Molian could say such cruel words in front of so many people.

"Brother Mo Lian, I like you so much, how could you..."

"If you like me, you want to take off your clothes and climb into my bed in front of your father, and plot this against me while I'm unconscious? Ya Nian'er, are you crazy about wanting to get married? It's a pity that I have no idea at all. I don't like a scheming, scheming woman like you!"

Ya Molian questioned Ya Nian'er unceremoniously and exposed everything she had done before to the public.

"you you....."

Mentioning what happened before, Ya Nian'er's heart was filled with regret, but seeing that so many people knew what she wanted to do, she was still so ashamed that she could only look at Ya Molian tremblingly.

"Brother Mo Lian, how can you be so... so cruel?"

She is from a girl's family. How can Ya Molian tell something that the girl's family is ashamed of? How will she behave in the village in the future?

"What, you think I will cover up for you for the sake of your reputation? I won't tell your scandal in front of so many people?" Ya Molian sneered.

"Yes, I didn't want to say anything before, but that was only before. Now, you and your family regard me as an enemy. You have tried to trick me several times, but I still want to save face for you? My Yamolian style of doing things. , that's not the case!

If people respect me one foot, I will respect them one foot. If someone offends me, I will repay him... ten points! "

"you....."

"Oh my god, what is this? Before, I thought that Mo Lian did something wrong and was ungrateful. It turns out that Ya Nian'er has a vicious mind and wants to do that evil thing."

"This little girl is really not shy. She dares to do anything and is not afraid of being dragged into a pig pen. She is really evil."

"It doesn't matter that she died, but she later harmed a young man like Mo Lian. He suffered along with her. It's really harmful. How come there is such a person in our village?"

The women started talking one after another, accusing Ya Nian'er.

"Fortunately, I just wanted to persuade Mo Lian to marry this little girl. She's not bad looking. I didn't expect that she would be such a despicable brat. Bah!" A woman took a sip and looked at Ya Nian'er with disdain. .

"You, you guys..."

Ya Nian'er's face turned red as she listened to what the villagers said to each other, wishing she could find a crack in the ground to crawl in.

Now, her reputation was completely ruined.

"What's wrong, my Nian'er is a good girl. If it weren't for Ya Mo Lian refusing to marry my Nian'er, would we have been able to come up with such a solution? This is all Ya Mo Lian's fault!"

Yajin didn't think there was anything wrong with her daughter doing this, so she shouted unconvinced at everyone.

"I have never seen such a shameless person, who agrees to save someone? Yajin, why don't you let your daughter go to the street to pick up a daughter to be your son-in-law? You still want to harm the boy Mo Lian, your Where's the face?"

The woman patted her face, looked at Yajin, and asked.

"I think Ya Mo Lian is qualified to be my son-in-law. What's wrong? My Nian'er saved him, so he has to repay him. What's wrong with that?" Ya Jin said to the woman, then turned to look Cliff Molian.
