Chapter 641 Not good, not good at all

Lin Caisang was left behind: "!!!"

No one else has Ya Mo Lian's ability to push the boat with the tide, right?

She was still guessing how he came to talk like this during today's dinner, but she didn't expect that Yatu would directly help him such a big favor when he came.

And her grandpa and grandma, why don't they know how to refuse? Even if they don't refuse, they should at least dry Yamolian. Why are they so eager to marry her granddaughter?

"Sister Sang Sang, what are you doing in a daze? Grandma and the others have gone to the hall to discuss your engagement." Lin Caiqing stood next to Lin Caisang, pushed her in a daze, and reminded her.

Sister Sang Sang's life-long event, she didn't want to listen to it or express her thoughts?

"You and Brother Mo Lian are engaged. You will definitely have a banquet, right? It must be very lively at that time. Thinking about the delicious food, her mouth is almost drooling.

"Brother Mo Lian and I are having an engagement party, aren't you disappointed?" Lin Caisang turned around, looked at Lin Caiqing, and asked.

Yaguman had just been kicked out of the house not long ago. His family was very poor, and his arms had not fully recovered. It was impossible to go up the mountain to collect bird's nests. So when Lin Caiqing got engaged to him, he invited the Ya clan chief and several Ya clan clan chiefs to come to Yagu Man. I had a simple meal at Man Na's house, which had nothing.

Moreover, the dishes at home are all brought from their home.

Although no one said anything, because the food was very good and everyone was very satisfied with the meal, they all knew in their hearts that this marriage couldn't be more shabby, and the man's family didn't get anything from the woman's family.

The reason why she didn't want Ya Molian to propose marriage to her so quickly was because she was afraid that the comparison between the two would cause a gap in Lin Caiqing's heart.

One of the two daughters of the third uncle's family has gone astray. She doesn't want Lin Caiqing to have any deviations in her heart. If that is the case, then she will really feel sorry for her third uncle Lin Baiyi.

"What's so disappointing about this? Brother Gu Man and Brother Mo Lian are not the same people. Why should I compare them?" Lin Caiqing shrugged and said indifferently.

"Besides, I think it's okay if Brother Gu Man is a nice person. I really don't care about the other things. Life is just how people live it. If it's not good now, it doesn't mean it won't be good in the future. Those who don't look down on Gu Man Brother Man's people will know how wrong they were in the future!"

Hearing this, Lin Caisang breathed a sigh of relief.

"That's good if you think so."

Originally, she was still thinking that if Ya Molian really wanted to give her a big deal, then she would definitely not agree to it. They were both sisters of the Lin family, so there couldn't be much difference.

However, according to Ya Molian's temperament, she will definitely not wrong her, and maybe there will be a big quarrel over this matter.

This wasn't what she wanted either.

"Qing'er, how are you doing learning calligraphy from your husband?"

Hearing this, Lin Caiqing muttered and looked at Lin Caisang pitifully.

"Sister Sangsang, can we talk about a more pleasant topic?"

When it comes to learning calligraphy, she thinks she would rather go to Menghuang Mountain to help earn money. As for this word... it knows her, and it's hard for her to understand it!

"Isn't this a bad topic?" Lin Caisang asked with a smile.

Lin Caiqing is a relatively wild girl at home, so it's really hard for her to calm down and learn to read.

However, you must know the words. Even if you don't like it, you have to do it. She will be supervising Lin Caiqing from behind.

"No, not good at all." Lin Caiqing flattened her mouth.

...
