

Star of Space 643

Chapter 643 Yamo Lian is carrying her

Finally, he took someone to catch him on the spot. Even if Ya Mo Lian wanted to cheat, he might not be able to cheat...

However, thinking about Ya Molian's fate, if he really had a relationship with his granddaughter, wouldn't even he be harmed? There was no way this was going to work, he couldn't make fun of his own life.

"Go ahead and do it, but remember to be careful. It's impossible to cook from raw rice to cooked rice. Grandpa told you, you just need to make Ya Molian believe that he is talking to you, and that's it. I understand. Yet?"

After thinking about it again and again, he agreed.

"Grandpa, Yuju, you are crazy!"

Their words happened to be overheard by Ya Yulan who came in with a book, and she immediately shouted.

"Yuju is still a girl, how can you tell her this? Do you want Yuju to be a human being in the future? Also, do you think Yamolian is really that scheming?"

If Ya Mo Lian was really so scheming and had married a wife and had children five years ago, how could it be possible that it would be Lin Caisang's turn now?

The two of them are really crazy. They would do anything for the little money Ya Molian has!

"Don't worry about this, go back home and read your book!"

Chief Ya glared at his grandson, drank, looked at Ya Yuju, and whispered.

"Yu Ju, go and see if Ya Mo Lian is at home first. This matter cannot be done now, we can only wait until evening. You have to remember, don't be impatient. It will be bad if you mess up the matter. .

"I understand, Grandpa." Ya Yuju responded.

"Hmph! Do you want to mind my business? Mind your own business!" She snorted proudly at Ya Yulan, turned around and walked away happily.

"You, you guys..."

Ya Yulan was almost pissed off by them, but what could he do?

"Grandpa, just spoil Yuju. When her reputation in the village is completely ruined, it will be too late for you to regret it!"

"Then Ya Mo Lian is taking care of it, what are you worried about!" Chief Ya completely ignored his grandson's words and said directly before going back to his room to wait for the good news.

Ya Yulan: "!!!"

It's strange that Ya Molian would carry Ya Yuju around, so as not to bring trouble to their whole family.

...

In Yamolian's home, Banjue, Banwu, and Jiang Li were summoned back together, and listened to Yamolian's instructions in the main room.

"Palace Master, are you going to... settle down now?"

At this moment, listening to the instructions of his palace master to come down to arrange betrothal gifts, find matchmakers and other matters, Ban Wu still felt like he was dreaming.

The master of his palace is actually getting engaged. What a joyful event!

"What, you think it's still early?" Ya Molian glanced over with a cold eye.

"No, no, this is not what I meant."

Fei Wu felt the skin all over his body tighten and quickly shook his head.

"I just feel like I'm in a dream. The palace master is getting engaged soon. I'm happy for the palace master."

"Palace Master, my subordinates over there have arranged for someone to keep an eye on him. News should be coming soon." Ban Jue looked at his palace master and said.

"Um."

Yamolian nodded slightly.

"I am banished to stay, you two go and do some work."

"Yes, Palace Master."

Ban Wu and Jiang Li left happily immediately.

"Palace Master, what are you going to do with Chief Ya's side?" Ban Jue asked.

That old guy was so tired that he dared to eavesdrop on the conversation between the palace master and them. The key was that there were so many people in their house, but no one noticed that anyone was eavesdropping.
