

Star of Space 650

Chapter 650 Let's see who can save you!

But can he refuse? That is simply impossible.

"Yes, yes, I have a matchmaker." He could only respond.

"It should, it should."

The old woman immediately pulled out the ugly woman who had been staring at Ya Yulan and another man with a sinister face, and brought them to the front of Chief Ya.

"Chief Ya, you see, these two people are also brothers and sisters, but they are not biological relatives. They are sworn brothers and sisters. They are very close to each other. They have both sworn that as long as they marry into the same family, this brother, I'm even willing to be my son-in-law.

That's just right. Don't you also want to find a son-in-law for your granddaughter? He is just right.

"Ah, grandpa, I don't want it, I don't want to marry him, he will beat someone!" When Ya Yuju heard this, she immediately screamed, and the hair on her face stood up out of fear.

Just now when she was in front of Ya Molian's house, she was caught by this man, and he beat her several times. She is still in pain.

"Yuju..."

'Snapped! ' a sound.

Chief Ya wanted to persuade his granddaughter, but was interrupted by the man's slap.

"Well!"

Ya Yuju felt that her face had been beaten with blood, and the teeth in her mouth were about to be knocked out. She looked at the man in fear.

"Do you have the right to speak now? Shut up!"

The man had a fierce look on his face and tried to hit Ya Yuju on the other side of the face with his backhand, but in fact, he really hit Ya Yuju and knocked Ya Yuju to the ground.

"Next time you interrupt when a man is talking, I will beat you to death! See who can save you!"

"UUUUUUUUUUUUUUUUUUUU"

Ya Yuju really started crying.

She is no longer at an age where she doesn't understand anything. Knowing what the situation is now, she must marry this man who is so ugly that she thinks he has seen a ghost at night.

But she doesn't want to!

But what can you do if you don't want to? The lives of their family are in other people's hands. Unless she dies, this matter cannot be changed.

But death...she didn't want to, she still wanted to live well, how could she be willing to die?

"Clan Chief Ya, the little girl is ignorant and needs to be taught a lesson. As an elder, you can't be too pampering, right?" Seeing that Ya Yuju was no longer making trouble, the old woman continued to look at Chief Ya and said with a smile.

"Um."

Chief Ya's intact hand squeezed his right arm hard. He didn't dare to say anything, he only dared to respond.

"Are you satisfied with the two children the old woman brought? If you are satisfied, then we have to arrange the wedding as soon as possible. Otherwise, what about three days later?"

asked the old woman.

"What?!"

When Ya Yuju heard what the old woman said, she was so frightened that she fainted.

Ya Yulan also felt weak all over. She glanced secretly at the ugly woman beside her and stared at the ugly woman she didn't let go. She swallowed. Asking him to marry such a woman was the same as asking him to die. What's the difference?

The key point is that if he had done this by himself, he would have to bear this bitter fruit himself even if he cried.

But now... what does this have to do with him? Why should he bear the burden of what his grandfather and Ya Yuju did?

He knew very well that if it weren't for what his grandfather told him to marry Lin Caisang at the Lin family, this ugly woman would not exist at all. It would be enough for the man with a sinister face to stare at their family.
