Chapter 651 I agree, I agree

His life was about to be ruined at the hands of his own grandfather.

When Ya Mu heard what the old woman said, she couldn't help but burst into tears, thinking to herself, what evil had she done? Both her children had to marry such an ugly person.

It's just a daughter, she did it all by herself, but her son is a good one!

"I....."

Chief Ya opened his mouth.

But the old woman completely ignored his words and decided on the marriage directly.

"It's been decided that the wedding will be held in three days. Chief Ya, don't worry. The old woman is the best at organizing weddings. Everything will be taken care of by the old woman. I guarantee that your family will be more than satisfied. .

Chief Ya: "..."

Their family was not satisfied with what they were doing. They were just two people who looked after them. From then on, they were his prisoners, Ya Mo Lian.

"Yes, yes, everything is up to you." He responded.

"Okay."

The old woman responded with a smile and looked at the ugly couple.

"Yun Mo, Yun Xiang, hurry up and go back to your room without taking your wife and husband with you. We're getting married in just three days, and there aren't that many rules anymore. You don't have to leave. Others Everything is taken care of by my aunt."

She patted her chest and said.

"yes.

Yun Mo and Yun Xiang responded respectfully.

One directly carried Ya Yuju into the room he already knew, and the other directly picked up Ya Yulan's collar and left.

Chief Ya watched his precious granddaughter being taken away. He wanted to die, but he couldn't think of anything and didn't dare to think about it. He trembled his lips and looked at the old woman.

"Chief Ya, look, I have something else to do here." The old woman spoke again.

"You say."

Chief Ya swallowed secretly.

He even gave up his own grandchildren, what else could he not agree to?

"Old man Yun, come out."

The old woman waved behind her, and Chief Ya saw an old man about his age walking out. His sharp eyes were on his face, and he was so frightened that he immediately lowered his eyes.

"Chief Ya, this old man is Yunmo and Yunxiang's godfather. He is quite old. Now the two children are getting married. You can't live alone. You are a good person and will do it to the end. In your Make a room for him at home, let him live in your house, and just feed him as much as you want."

Chief Ya: "!!!"

It wasn't enough for two people to stare at them, but they even got one?

He originally thought that those two people were young after all, and as long as he allowed Yulan and Yuju to coax them more and followed them in the future, he might be able to coax them to come to his end.

However, we actually got an old one!

This old man's eyes are so sharp that he is difficult to deal with at first glance. Can he still live in the future?

"this....."

"Why, Chief Ya doesn't agree?"

He just opened his mouth and uttered only one word, when he saw the old woman narrowed her eyes and looked at him dangerously, her words were full of warnings.

"No, no, I agree, I agree." Chief Ya quickly changed his tune.

"That's just right."

Seeing that he agreed, the old woman laughed again.

"Old man Yun, you heard it. Chief Ya agreed. You can live in Chief Ya's house from now on and let your grandchildren respect you. Chief Ya, who is about the same age as you, will accompany you to talk. You can also spend your old age peacefully."
