Chapter 653 My grandpa is timid

"That's something Chief Ya should worry about," Ya Molian said.

He couldn't control so much here, and he dared to think about his wife. Even if Ya Yulan didn't have such thoughts, he couldn't allow Chief Ya to have his own whims.

If he didn't give them some color, he would really think that he was soft-tempered and could be bullied by them.

"This is the list of betrothal gifts. You should take a look at it first. If there is anything missing, tell me and I will make up for it." He took out a booklet from his arms and handed it to Lin Caisang. He said .

Lin Caisang: "..."

This guy always gives her such a blow from time to time. This is a rhythm that wants to scare her to death.

"You can discuss these matters with me. I don't understand either."

Looking at the booklet in his hand, there must be several pages in it, right? I really don't know what is written in it and what he has prepared. Don't frighten her grandpa later.

"But I can tell you, my grandpa is timid, so don't scare him." After thinking for a while, she warned again.

"Of course not."

Ya Molian would never have thought of this.

He has also lived in this Ya Village for so many years. How could he write too many things or too expensive things on the gift list? You must know that this gift list is not only visible to Sang'er's family,

but also to several members of the Lin family. A highly respected elder would come and comment on this gift list.

If he wanted to honor the elderly, he and Sonny would have plenty of opportunities in the future, so why did they have to show it in this gift list.

Of course, in order to show his respect for Sonny, he would prepare everything he needed.

"I'm going to go to the inner forest to catch a deer and use it as a levy. What do you think?" he asked.

"deer?"

Lin Caisang raised her eyes and glanced at him.

"You still like Yan, that's okay." Ya Molian said.

"It's okay, it's up to you."

Lin Caisang nodded. She could really only use a few sets of three words to describe these things: 'I don't know', 'I don't know', and 'I don't know'.

However, it would be great if we could get a few more of these deer or geese to keep in the pasture space, and she would definitely be very happy.

"good."

Yamolian responded.

...

Here, the engagement between Ya Molian and Lin Caisang has been discussed in full swing, and the double happiness of the family of the Ya clan leader is also a hotly discussed matter among the people in the village.

But on the other side, at Liu Baixiao's house...

Liu Rumei bought a girl for Liu Yushui. Finally, she could no longer hide it. It was impossible to leave the girl outside. Both of them were afraid that she would run away and leave it at home...

Liu Baixiao has always been very strict about food. Liu Rumei has tried her best to save food for Liu Yushui, and also for the newly bought little girl. How can she do it.

After a few days, the little girl was so hungry that she became weak.

"Mom, what should I do? Zhou Liang said last time that he would come to me tomorrow." Liu Yushui looked at the little girl huddled in the corner of her room with a sad look on her face.

Although as a woman, she does not want to give other women to her man, but now is not a special situation.

But look at this little girl, her face is turning blue from hunger. How can she have the strength to serve Zhou Liang tomorrow? Don't let Zhou Liang beat him to death with all his strength!

She was worried about what to do.
