

Star of Space 66

Chapter 66 What a bad-hearted person!

Now Lin Caisang says that she saved Ya Molian. Even if she wasn't, others would believe Lin Caisang and not her.

"I saved it, Ya Nian'er."

Seeing that he could no longer deny it, Lin Caisang could only admit that he had saved Ya Molian.

"All the neighbors nearby know that I have been digging medicine in the mountains these days. When I was digging medicine in the mountains before, I saw Brother Mo Lian who was unconscious and brought him back. But Brother Mo Lian is a man after all, and I am not alone. The little girl saved him. It was not good to tell him to go out after all, so I put him on a field stalk not far away. I thought that there were many people cutting pigweed at that time, and someone would soon find Brother Mo Lian, and he would be killed. He sent it home."

She squinted her eyes slightly, glanced at Ya Molian, and then turned back to look at Ya Nian'er.

"Ya Nian'er, it's certainly wrong not to repay kindness, but it's even more wrong to use kindness in return and force people to submit like you do. If you don't want to save, you don't have to save. No one told you to save, but Since you have saved someone, you should not repay others with your ulterior motives. Otherwise, you will only embarrass yourself."

"Humph, Lin Caisang, I think you're very light-hearted. Your family is eating pork now and their mouths are full of oil. Naturally, they will do whatever they want with you? What's the point of repaying a favor? If you don't repay a favor, you can do it if you have the ability. Give the wild boar meat to my family, don't eat it alone!"

Yajin rushed out all of a sudden, pointed at Lin Caisang's nose, and yelled.

"Can't you tell? I'm eating the wild boar meat from Yamolian in return for your gift, and now I dare to teach us a lesson? This little girl is so mean-spirited!"

After all, she was thinking about Lin Caisang's status in the village and didn't dare to do anything to her. She could only scold her. If it had been anyone else, she would have slapped her.

But even though she was holding back, she still looked like she wanted to fight.

"I....."

"The fact that Xiao Sangzi saved me is just my guess. It's my own business to repay the favor. Aunt Jin, it's not up to you as an outsider to decide what I want to do. This is my home, please, and Yahai Uncle, when you and your family go out, don't come to my house again."

Yamolian took a few steps forward, protected Lin Caisang behind her, and spoke emphatically to Yajinshi.

Turning his head, he looked towards Yahai.

"Uncle Yahai, you saved me on the field stalk. I admit it, but I also saved you two years ago when I was picking bird's nests on the mountain, right? You didn't fall off the cliff. I saved you, right? ? Even if our two families are even, from now on... don't let me see these two girls of yours coming this way, I can't bear the blame of the bad girl. "

"Ya Molian, you——"

Yahai had a bad breath stuck in his throat, and he was so angry that he wanted to beat his feet and chest.

However, what Ya Molian said really made it hard for him to find fault. Ya Molian saved him in the first place, but it was something that everyone in the village knew. He also said it in front of everyone that Yamolian was a kindhearted person. He who does not seek repayment will not repay him himself.

Now...he really regrets that he shot himself in the foot.

"roll!"

A trace of cruelty flashed through Ya Molian's eyes.

"You...you're so good! Just wait for me!"

Yahai had no choice but to leave angrily.

"Brother Mo Lian..."

Ya Nian'er still didn't want to give up on Ya Mo Lian, a good man, and looked at him with tearful eyes, trying to arouse his protective desire.
