

Star of Space 665

Chapter 665 It's very harmful.

"Then let Ban Jue find out her identity.

Ya Molian agreed. She felt that it was okay for Sonny to have someone by her side to help her. At least it would save Sonny a lot of time.

"Yes, I will take care of it tomorrow morning." Ban Jue responded.

"Feng Luzhi, do you have any objections to me asking you to follow me?" Lin Caisang ignored the men and looked at Feng Luzhi and asked.

"I....."

How dare Feng Luzhi have any opinions? She was afraid that if she had any opinions, she would be buried alive by these men, and then she would have no choice but to go to the Palace of Hell to have any opinions.

"Do you know where this place is? This is the inner forest, that is, the old forest in the mountains. As soon as you step out of this door, the jackals, tigers and leopards outside will eat you to the bone.

Moreover, you are sold now, and this deed of sale was stolen from your master. I can hand you back to your master together with this deed of sale. Do you think your What will happen? "

Seeing her hesitation, Lin Caisang asked again.

"I....."

Feng Luzhi bit his trembling lips and looked at Lin Caisang fearfully.

What kind of master is she? He bought her just to do those dirty things. She doesn't want to follow such a master.

"Then...then if I follow you, can you let me eat enough?" she asked softly.

"Ah."

Hearing her words, Lin Caisang chuckled.

It seems that this little girl is really dizzy from hunger and follows a master just to have a full meal.

"Brother Melian."

Looking up, she glanced at Ya Molian.

Ya Molian looked at Ban Jue, who understood, and immediately took the plate of pastries originally for Lin Caisang from the table and handed it to Feng Luzhi.

"Eat, fill your stomach first."

When Feng Luzhi saw the plate of pastries, his eyes turned green and glowed.

Regardless of the fact that she was a girl, she reached out and grabbed two handfuls of pastries and stuffed them into her mouth. Another subordinate looked at her gobbling up, frowned, and went to the table to pour a cup of tea. Come here and give her something to drink.

"That family is really harmful."

Seeing Feng Luzhi's look, Lin Caisang sighed and shook his head.

But this family member is her second uncle, the biological son of her grandpa and grandma. If they don't look at the monk's face, she also has to look at her grandpa and grandma's face as the Buddha. She can't do anything to them.

...

Starting from the next day, the Lin family had another child, Feng Luzhi.

As for Liu Baixiao's family, Liu Rumei and Liu Yushui were frantic with anxiety, because today was when Zhou Liang was coming, and Feng Luzhi was their only support. Without her, the child in Liu Yushui's belly might not be safe.

"What's the matter with you? Can't you even look at someone?"

Liu Rumei was in Liu Yushui's room at the moment, shouting lowly at Liu Yushui.

"How did I know that little bitch dared to run? She didn't even dare to run a few days ago!" Liu Yushui was also going crazy. Seeing that Zhou Liang was coming, she couldn't find Feng Luzhi here. .

What should she do now? She was really at a loss. Especially after discovering that Feng Luzhi was missing this morning, she felt that her stomach began to twitch and hurt.

"It was a few days ago. She didn't have enough to eat in the past few days!" Liu Rumei shouted.
