Chapter 667 Someone found out

"Damn it, if it wasn't for the sake of letting me go back to the Liu Mansion, I would kill you, you wicked thing!" She took a sip towards Zhou Liangyuan and cursed. .

It's not enough to suffer Liu Baixiao's punishment at home, she also has to come here and be bullied by this bastard Zhou Liang. One day, she wants them all to die in her hands, and she won't let any of them go!

Walking all the way to her home, she met several women on the way. Seeing her miserable appearance, they all looked at her with colored eyes.

"What are you looking at? I just fell down, what's there to see?" she yelled at the women.

Zhou Liang, this bastard, actually dared to beat her, the mother-in-law. He was definitely not a bastard. Her daughter would probably suffer in the future if she married him.

However, these are nothing. As long as she can return to the Liu family and have a daughter, she can just give it up. It's no big deal.

"laugh."

When the women heard her words, they all looked at her mockingly.

"She also fell down. Who would believe it? She must have been beaten by a good man. I heard it several times. The screams from her house were terrifying to hear."

A woman said to several other women.

"Who says it's not the case? This Liu Baixiao is not a thing anymore." Another woman agreed.

~**°•.~~•°**~

"But in other words, although this Liu Baixiao is not a thing, she Liu Rumei is a good thing. These two people are a perfect match. They are both very sinister and vicious!"

"Hey, you said that the sweet potato field of Hanzi's family was ruined. Isn't it the Liu family's fault?"

Just when Liu Rumei couldn't stand listening anymore and was about to turn around and scold a few women, she suddenly heard a woman mention the matter of the sweet potato field being ruined. She was so frightened that her whole body trembled and she didn't dare to stay on her feet for a moment longer. Ran quickly.

...

There was a 'bang' sound.

The door was slammed shut, Liu Rumei was panting, one hand pressed on her chest, her entire face was pale.

"Mom, what's wrong with you?"

Liu Yushui sat up from the bed, looked at her, and asked.

"Did Zhou Liang hit you?"

Seeing Liu Rumei in a state of embarrassment, she guessed that Zhou Liang might have hit someone out of embarrassment before, but now Zhou Liang was really capable of doing it.

"You girl, what do you care about Zhou Liang doing now?"

Liu Rumei was almost frightened to death. She swallowed and came to sit on the edge of her bed.

Zhou Liang lost his temper with her, and at most he would just push her, and it wouldn't kill anyone. But if someone found out about the two of them secretly digging sweet potatoes, it would be over.

"What happened?" Liu Yushui asked.

If it weren't for Zhou Liang, what else could happen? Why doesn't she know?

"I'm telling you, people found out about our secret digging of sweet potatoes." Liu Rumei said, squeezing her hands tightly, her face trembling with fear.

"What?!"

Liu Yushui was also shocked when he heard her words.

"Mom, you are talking nonsense. How can people outside know that we dug it!"

"Why don't you know? When I came from Xiaozhulin just now, someone already suspected me. I heard it true." Liu Rumei said.

She walked all the way, feeling very scared in her heart. She was afraid that someone would catch her and force her to tell her about secretly digging sweet potatoes. Then, she would be taken to jail!
