

Star of Space 674

Chapter 674 It's also a vicious thing!

"Yes, Lao Ji, doesn't your grandson love to cry when he can't find you? We'll probably have to chat very late, why don't you go back first?" Another clan elder also suggested.

Step clan elder: "..."

He really wanted to spit out a mouthful of old blood.

He just put forward his own opinions, but he was criticized by this. Do these people still regard him as the clan elder?

"Forget it, I'd better go back."

Since they are so unpopular here, let them do their own thing. Isn't it enough that he just doesn't care? He shook his sleeves heavily at them, turned around and left.

"this....."

Uncle Li Zhengjin watched him leave, then turned around and looked at the elders of the Ya clan with some embarrassment.

"Nephew Jin, please leave him alone. The more you take him seriously, the more he wants to show off." An elder of the Ya clan said to Uncle Li Zhengjin.

"Even so, I don't want to see if he has the destiny to show off!"

Another clan elder also said that none of them are worried about water now. They were worried before and couldn't persuade Lin to pick mulberry. Now they are finally persuaded. The Ya clan can also use water. He still wants to show off!

It's really like the Ya clan leader, I don't know what to say!

"Let's go and figure out how to use this water."

"good."

When Uncle Li Zhengjin saw them saying this, he stopped paying attention to the elder step clan.

Anyway, he really couldn't stand the way the Ya clan leader and the step clan elder worked together and did evil in the village. They didn't say anything against him in front of him, and he was so angry that he gritted his teeth and couldn't refute. He was happy and relaxed. .

...

On the other side, the step clan elder left the group of people and went directly to the Ya clan leader's house.

Because there were two people watching over Chief Ya's family, he couldn't cause any trouble to Chief Ya, so he asked Chief Ya for help because he had something to do at home and pulled the people out of the house.

After a while, the two of them were sitting in the step clan's hometown, one with his head bowed and the other with a face full of indignation.

"This Yamolian is really vicious. How could he do such a thing?!"

Listening to Chief Ya's talk about what happened in his family these days, the step elder slapped the table angrily and scolded Ya Molian for being ungrateful, forgetting how good the Ya clan had been to him in the past.

Of course, Clan Chief Ya would not dare to tell his stepfather about Ya Molian's identity.

He was afraid that if he spoke out, there would be more than two people watching him, and Yamolian would probably get angry and kill their entire family.

He doesn't want to suffer catastrophe yet.

"Fortunately, we made the decision for him and let him move out alone. At that time, we thought that it was the Yatu family who went too far for others. Now it seems that this Yamolian is also a vicious thing!"

"Who says it isn't?"

Chief Ya sighed and shook his head.

"Hey, it's useless to talk about this now. You just said, what does Lin Caisang want to do?" he asked.

"What else can she do, other than take out the few things in her house that are quite attractive to her to win people's hearts?" the stepfather said angrily.

"Patriarch, you say, she just wants to win people's hearts, she doesn't want to get into trouble at all, she puts all the problems on other people's heads, she just wants to be a good old person, what is this? "
