Chapter 675 You must endure it

Let him tell you, the pond on Menghuang Mountain belongs to Lin Caisang. How to use water and how much to use every day are all Lin Caisang's business. Just let her make her own decision. Why should we let old people like them worry about it? Labor?

It's so wicked!

"I've told you before, that little girl Lin Caisang is not to be trifled with!" Chief Ya said.

"Have you noticed that since that little girl was buried alive once, she has not left any room for anything? Not to mention you, even I have suffered a loss from her."

Moreover, it is still a big loss. Now he is living a life at home, which is not a human life. He is stared at by two pairs of eyes all day long, and it is not easy to even go out.

If Yaji hadn't come to him today, how could he have gotten out, and how could he have known what happened in the village. This time, he was completely in the hands of Yamolian and Lin Caisang.

"You are serious, why are you angry with those people? Wouldn't it be better to endure your anger for a while and listen to what they want to do first?"

As he spoke, he began to complain about Yaji. If Yaji heard what Clan Chief Lin and the elders of the Ya clan wanted to do, maybe he could think of another one. How to deal with Lin Caisang.

But now, he was called out by Yaji, but he really didn't know what to do next.

"I'm sorry." Yaji also regretted it.

"Then chief, what do you think I should do now, go to Li Zheng's house?"

That's not okay. If he goes to Li Zheng's house now, will he still have this old face? Absolutely not.

"That's not necessary."

Chief Ya shook his head, feeling that it was not good to push Yaji too hard, and finally broke up with him.

"If you do this, go to Ya Tanggong's house and wait early tomorrow morning. Go with them to Lin's house. By the way, ask Ya Tanggong what they said tonight. Ya Tanggong has a soft heart. It must be you who asked. He just answers whatever he wants."

Finally, he thought for a moment and said.

"Then...it's done."

Yaji thought for a while and nodded.

This is the only thing he can do now, except for him to lower his face, walk over on his own initiative, and expect those old men to come and ask him to come with him, which is simply impossible.

"Also, we have to take a long-term view on this matter, and we can't let those people get ahead of us. You have to endure your anger for a while, and you can't take advantage of them. Do you understand?"

Chief Yaji gave Yaji a few more words.

"This, I understand."

Although Ya Ji was reluctant, considering what Chief Ya had said before, he could endure it for a while.

"Lao Ji, you must be patient. We will discuss it further when we get home. Even if I can't sit still, my position as the leader of the clan cannot be taken advantage of by others. It can only be yours. Do you understand? "

Chief Ya was afraid that he would speak well here, so when he arrived at the Lin family, he forgot the word "forbearance" and used his position as chief to seduce him.

"understand."

Hearing the words "Clan Leader", Yaji's old eyes narrowed with joy, and he explained clearly.

"If you can't help but conflict with them, it's very likely that they will take advantage of you. Then you should think about your position as the leader of the clan." Chief Ya said to him again.

"We have to come up with a way to deal with Ya Molian and Lin Caisang. As long as we take them apart, Lin Caisang won't be able to do any magic. At that time, you can establish a good reputation in the Ya clan. When the prestige comes, I will give you the position of clan leader."
