

## Star of Space 683

Chapter 683 Do you want your reputation anymore?

"Deer?"

Lu Qiubo's eyes sparkled when he heard the word 'deer'.

She is old, so old, and has never seen what a deer looks like. Although it is said that the deer will be brought to her home tomorrow, it is still good to see it today, so she hurriedly took her granddaughter with her. .

"Mo Lian, you caught this?"

Looking at the two deers locked up in the thatched shed, Lu Qiubo felt so happy.

"Yes, Grandma Qiubo."

Ya Molian nodded. In front of outsiders, he would naturally call Lu Qiubo "Grandma Qiubo", and he could only call Lu Qiubo "Grandma" after they were engaged. Naturally, he understood this truth. 6

"This deer is an auspicious thing, and it is good to keep it at home. Grandma Qiubo, this is a pair of deer, and they will give birth to fawns in the future."

"Okay, okay."

Lu Qiubo nodded repeatedly.

"Mo Lian, you are really capable. She is really lucky that our Sangsang can marry you."

She raised her hand, patted Ya Molian on the shoulder and said.

"What did Grandma Qiubo say? I am lucky to be able to marry Sonny."

Ya Molian glanced at Lin Caisang and said sincerely to Lu Qiubo, it was his good fortune to meet such a good woman.

"Son'er, let's accompany your grandma to sit in the main room. It's very noisy in the yard.

"How can this be done? We are here to help." Lin Caisang said half-jokingly.

When everyone saw her sitting with her grandma in the main room, everyone in the village would laugh out loud, and she would be known as a lazy girl who only knew how to eat and drink.

Does she still want her reputation?

"There's nothing to be busy with, just chores." Ya Molian glanced at the yard.

"There is still a wild boar that needs to be taken out. These are men's business. You and your grandma can just watch."

"There are also wild boars. Don't you have some meat at home?" Lin Caisang asked him.

Meat and other things were already prepared, so why did he need to hunt wild boars? Was he full and had nothing to do, or did he catch the deer together?

"The prepared meat is for tomorrow's banquet. I'm going to give this wild boar meat as a gift in return." Yamolian said.

Lin Caisang: "..."

Ya Mo Lian, who uses pork as a gift in return? Don't you think you are panicking at the loss?

Moreover, this is an engagement, not a marriage, and a gift in return. Has anyone given you a gift? Have it? Not one, right?

"Brother Mo Lian, did anyone give you a gift?" she asked.

Ya Molian: "???"

He blinked and looked at Lin Caisang, somewhat confused as to what she meant.

Then, he looked at Lu Qiubo again.

"Grandma Qiubo..."

"Mo Lian, Sangsang doesn't understand these things. It's okay. Grandma Qiubo knows." Lu Qiubo said quickly.

"I don't understand?"

Lin Caisang raised his hand and pointed at himself, feeling confused for a while.

"You."

Lu Qiubo looked at his granddaughter funny and shook his head.

"This return gift is not a return gift from the Mo Lian family, but a return gift from our family. This pork must be prepared during the engagement and taken to the woman. The woman will then cut it up and send it to relatives and friends. Tell them For this happy event, let them all come to drink the wedding wine when you get married."

"So this is it."

Lin Caisang suddenly realized that this was part of the betrothal gift, so she understood.

"I thought I could just get something random. Before Qing'er got engaged, didn't she prepare candies?  
Are we different?"
