

Star of Space 686

Chapter 686 Beat her to death, you little bitch!

Anyway, she didn't dare to touch this brow.

"waste!"

Liu Baixiao glanced at Liu Rumei disdainfully, flicked his sleeves, turned around and walked out of the yard to find Lin Caisang.

"Yushui, go and sit down quickly, I'll do this."

Seeing Liu Baixiao leaving, Liu Rumei hurriedly ran over and snatched Liu Yushui's job and asked her to sit down.

"Where's your brother? He's not at home?"

"Going out with a bunch of gangsters."

Liu Yushui put down the dishes, walked to the stool where Liu Baixiao had been sitting just now, sat down, and replied.

"Whatever you ask him to do, he is at home. You think he can do the housework for me, so save it."

It would be okay if Liu Qingshui was not at home, but if he were, he would have to make trouble for her in Liu Baixiao's ears, and her life would be even more miserable. Now she really wishes Liu Qingshui had died outside, which would have saved her a lot of trouble.

"Your brother is a man, so naturally he can't do these things." Liu Rumei said matter-of-factly.

Her son was her precious son, and she was counting on him to provide for her until she died. Naturally, she wanted to pamper him. How could she let him do such a thing?

Hearing this, Liu Yushui rolled his eyes secretly and sneered in his heart.

With Liu Qingshui's virtue, her mother still kept him as a treasure, which made her feel happy in her heart.

"Mom, didn't I tell you to go back to the mountains to pick some wild fruits when you have free time? Let's also learn how to pick mulberries in the forest and make dried wild fruits. We can keep them and eat them for a long time."

However, Liu Qingshui was nothing. The most important thing for her now was to take care of herself and not let herself go hungry. Now that the sweet potatoes were not stolen, she could only hope for the wild fruits on the mountain.

She didn't believe it. Lin Caisang could make dried fruits, but she couldn't.

Although she couldn't make it as delicious as Lin Caimulberry and sell it anywhere, she thought it would be okay to pick wild fruits, slice them and dry them in the sun. Although it was a bit unpalatable, at least it would make her full. .

Now, as long as she can eat enough, she is satisfied.

"You kid, how can I have that skill? All the vegetables in the field depend on my hands." Liu Rumei glanced at Liu Yushui and said.

"It's better to point to the vegetables in the fields than to point at the wild fruits on the mountain. Besides, if your father knew that I went to pick wild fruits and ignored the vegetables in the fields, he wouldn't beat me to death."

Hearing this, Liu Yushui gritted his teeth and could not say anything.

"However, Yu Shui, just now I saw a little girl coming down from Lin Caisang's Menghuang Mountain. She seems to look very similar to Feng Luzhi. I don't know if I was dazzled and saw it wrong."

Liu Rumei said again.

She had just seen it from a distance in the field, and it really looked like it.

"What?"

Liu Yushui was stunned for a moment and then came back to his senses.

"That must be that bitch Feng Luzhi. She actually went to Lin Caisang. If I don't get her back, I'll beat her to death!"

She gritted her teeth, thinking that without Feng Luzhi these days, the suffering she had suffered from Zhou Liang was simply unbearable. If that little girl hadn't sneaked away while she was sleeping, how could such a thing have happened? matter?

"Yushui, you..."

Liu Rumei wanted to persuade her, but thought it would be better for her to see if the little girl was Feng Luzhi, so she swallowed her words alive.

However, Liu Yushui, who was about to go to Lin's house, stopped after taking a few steps.

"What's wrong? Yu Shui."
