

Star of Space 687

Chapter 687 Is this the end of it?

She asked in confusion when her daughter stopped moving.

Liu Yushui turned her head and looked at Liu Rumei with puzzled eyes, full of confusion.

"Mom, why did you ask me to find Lin Caisang?"

You know, her father Liu Baixiao went out to the Lin family, and if she went to fight Lin Caisang now, wouldn't she be bumped into by her father?

If she impulsively revealed the fact that her mother bought a girl for her and let Liu Baixiao know about it, what would be her end? You can imagine it, right?

Her mother seems to be very smart on weekdays, wouldn't she understand this?

"Well.

Liu Rumei was choked by her and didn't know what to say.

She could say it was because the vegetables in the fields were dying from drought and there wasn't much to eat at home. She was thinking that if Lin Caisang knew that Feng Luzhi's girl was her daughter, then Lin Caisang would definitely feel guilty. Ah, by then she won't be able to carry as much water as she wants?

But if she said this, her daughter would definitely hold a grudge against her, so she would naturally not say it.

"Yushui, look what you said, why did mother ask you to go find Lin Caisang? Mother was so angry just now that she didn't have time to hold you back. With Lin Caisang's current temperament, if you go, you will suffer a loss."

she said quickly.

"Um."

Although Liu Yushui was suspicious, he didn't say anything more.

"Mom, we can't go directly to Lin Caisang about Feng Luzhi's matter."

"Why?"

Liu Rumei was puzzled and asked.

Even if that girl Feng Luzhi doesn't serve Zhou Liang, she can at least work for the family if she stays at home, which can save her a lot of work. Now it's better, but it's an advantage for Lin Caisang.

How could she just let it go? She must get that girl back.

"Is that the end of it?"

she asked.

"Of course we can't just let it go, but, mother, dad doesn't know about you going to buy a girl. If we blow this matter up and let dad know that you spend money randomly, you should know what will happen to dad. Right?"

Liu Yushui reminded Liu Rushi.

Not to mention Liu Rumei, even she would be beaten to death by Liu Baixiao. She didn't want to be beaten by her father in vain because of Feng Luzhi.

What's more, her current health is not good. If she is injured again, it will be a problem whether the child in her belly can be saved. Therefore, nothing can be said about this matter to Liu Baixiao.

"Yes, yes, you can't let your father know."

When Liu Baixiao was mentioned, Liu Rumei shuddered and said.

"Then what should we do? How about you go and discuss it with Zhou Liang, just say that he bought Feng Luzhi to serve you, and ask him to go to the Lin family to get it back?" She suggested.

It should be okay for Zhou Liang to come forward. Those in the Lin family will at least give Mr. Zhou some face, and they won't have to quarrel with each other.

"How about that?"

Hearing Liu Rumei's words, Liu Yushui suddenly frowned and shook his head.

Let Zhou Liang go, not to mention whether he would stand up for her for his own sake, let's just talk about Lin Caisang now. After losing weight, he is getting more and more beautiful. If Zhou Liang sees it...

What if he regrets it when the time comes and wants to pursue Lin Caisang back?

Even though Lin Caisang now has Ya Molian, Zhou Liang is a scholar, and Lin Caisang favored him in the past. It is inevitable that after this back and forth, the two of them will not have any friendship again.
