Chapter 690 Cut off the hind legs for me

He muttered as he walked towards the yard of Yamolian's house.

In the yard of Yamolian's house, the cauldron was steaming. A huge wild boar was being dragged out of the cauldron by several men and placed on the table next to it. It began to shed its hair. Several women They were all watching, chattering away, with smiles on their faces.

"Mo Lian is really talented. Who in our village can get married and eat so much meat? This Sangsang is so lucky."

"Who says it's not the case? This Mo Lian really knows how to love his wife. Such a big wild boar has given the Lin family a lot of face. I just looked at Aunt Qiubo's face, and her face was full of smiles. "

Several women were talking there, and they were also happy.

Such a big wild boar, and they are here to help, so they will definitely get their share when the time comes.

Even if there is no real meat, if you pick up some scraps and bring them back, it will be enough for the family to eat several delicious meals. How good.

I really hope there can be more young men like Ya Molian in their village. That will be the blessing of their village, and they will also enjoy the blessing.

"Sang Sang is famously blessed in our village. It's not like you don't know this. Not to mention Mo Lian's place, even her barren mountains are enough for their family to enjoy food and drink."

"That's right...ah!"

"Are you going to kill a pig?"

Just as the woman was about to respond, she heard a faint voice coming from behind her. She was so frightened that her hair stood on end and she screamed.

"You, you...how did you get in?"

Several women turned around and saw Liu Baixiao, who was staring at the wild boar on the table with a green gaze like a wild wolf. One of the more courageous women asked him.

This person is Liu Baixiao. Even if they just married into Yacun, they still know this person and his face.

I just didn't expect that this shameless guy would come here to seek death on such a festive day. Aren't you afraid that Ya Molian would throw him out and make him lose face?

"The courtyard door was open, so naturally I walked in." Liu Baixiao sneered and replied lightly.

How much meat does such a big wild boar have to have? He is Lin Caisang's second uncle. If nothing else, he can definitely get a portion of a wild boar leg, right?

He doesn't want anything else. He will just take a wild boar leg back later, cook a few rich meals, and serve it with water to drink. The taste must be amazing.

"Baiyi, hurry up and do it. I'll talk to Lin Caisang about something. I'll cut off the hind leg for me later and I'll take it back."

With that said, he went to find Lin Caisang in the courtyard.

"you....."

The women had never seen such a shameless man, and they were all very happy at his shameless words.

He even brought one hind leg back with him, why didn't he say he would carry the whole wild boar back?

"Baiyi, your brother..."

When several men who were helping there heard Liu Baixiao's words, they looked at another man who was also helping, Lin Baiyi. They were hesitant to speak.

"Don't worry about him, get this place done first, and I'll throw him out myself later!"

Tomorrow is Sangsang's engagement. How can he let Liu Baixiao come over and cause trouble? Such a person must be thrown out, or he can find a way to prevent Liu Baixiao from getting out of bed tomorrow!

In that case, even if he wants to cause trouble, he won't be able to make it happen.
