

Star of Space 691

Chapter 691: No benefit obtained

"Sang Sang, Sang Sang, where are you? My second uncle is here to find you.

"Grandma, my second uncle is here."

In the main room, Ya Molian and Lin Caisang were talking with Lu Qiubo, when they heard the voice in the yard that overshadowed everyone else.

"This bastard, if he really thinks he is my son, can't I do anything to him?" When Lu Qiubo heard Liu Baixiao's voice, he was so angry that he stood up from the chair with a bang.

"Think of me as his father, huh, I'm not that soft-tempered!"

After taking two steps toward the main room door, Lu Qiubo saw Ya Molian and his granddaughter following him. Lu Qiubo turned around and looked at them.

"Mo Lian, you stay here with Sangsang, and leave that bastard to Grandma Qiubo.

Tomorrow is the day when his granddaughter and Mo Lian are engaged. At this time, Ya Mo Lian is definitely not suitable to come forward to deal with Liu Baixiao, an evil obstacle, so it is better for him not to go out.

"This is...good."

Ya Molian nodded and pulled Lin Caisang to stop.

"Brother Mo Lian..."

Lin Caisang watched his grandma walking outside the house, and looked at Ya Molian with some worry.

Liu Baixiao is a shameless person. He will sacrifice anything for his own interests. His face means nothing to him. Is it okay to let her grandma go out and deal with it alone at this time?

She had to worry!

"Watch first."

Ya Molian only gave her three words.

Liu Baixiao was a rogue, but with so many people in the yard, it was impossible for Lu Qiubo to suffer from him.

On the contrary, letting Lu Qiubo scold Liu Baixiao would let everyone know what kind of person Liu Baixiao was. In the future, the news would spread throughout the village. Lin Laogen just wanted to help his son, and he also wanted to see Lu Qiubo. The villagers in Yacun all agree or disagree.

"Your grandpa is too soft-hearted."

Lin Caisang fell silent after hearing Ya Molian's words.

Indeed, her grandpa's heart is really too soft, and he almost has no stance.

In other words, Grandpa was still scolding Liu Baixiao, this evil son, and would never care about him again. However, after sleeping, he had completely forgotten the hatred and hatred of the previous day, and he still felt that his son He was saved and wanted to give him a hand.

"call."

She let out a heavy breath.

She really didn't know what to do with Liu Baixiao, even though he was thick-skinned and a scoundrel.

But this person didn't make any big mistakes, he just used his brain a little bit, came up with some tricks to deceive people, or just dared to act in his own nest. When he was in front of people who were more powerful than him, he became a coward again. .

Such a person is like a ball of cotton. She can't move it, but she can't really move it. She puts him there and feels choked and panicked when she looks at him.

"If he doesn't get any benefits here today, I'm afraid he will come again tomorrow."

She said honestly to Ya Molian.

"Do you think I will let him come to me standing up tomorrow?" Ya Molian snorted, raised his hand and patted her head to reassure her.

"Then you deal with it." Lin Caisang said softly.

In fact, she also meant this. If Liu Baixiao wants to come over tomorrow, let him crawl over!

...

In the yard, Liu Baixiao saw Lu Qiubo coming out of the hall, his expression not very good, but thinking that she was his mother after all, she would not leave him any face, and besides, so many Ya family members were watching, After all, he is Lin Caisang's second uncle, and he also represents the face of the Lin family.
