

Star of Space 694

Chapter 694 It's best to break one of his legs!

"I really want to beat him up and break his legs. If that doesn't work, I'll seal his mouth so that he can never speak again!"

It's not that she is vicious, it's Liu Baixiao who really makes her don't know what to do. Second uncle, my second uncle, how could she have such a close second uncle? They also live in the same village.

She regrets it, what should she do?

"You can have this."

After hearing her words, Ya Molian said.

"ah?"

Lin Caisang was stunned by his words.

"You don't want to...no no no."

She quickly shook her head, feeling that if she really hurt Liu Baixiao, they wouldn't be able to pass her grandpa's test.

Although my grandfather is a soft-hearted person, he is also very shrewd. Who hates Liu Baixiao the most in the village is her and her eldest brother Lin Changhong. As long as Liu Baixiao has something, the first thing that my grandfather will think of is her and her. Big brother.

Of course it's impossible for the eldest brother, so it can only be her.

"Where are you thinking? No matter what happens to him, he is also your second uncle. How can I be cruel to him?" Ya Molian raised her hand and tapped the tip of her nose.

"Then what do you want?" Lin Caisang asked.

"I didn't think about it. The conscription has started. I have already informed the county and asked them to come here first. They will arrive the day after tomorrow. By then, Liu Baixiao will not have so many thoughts."

Ya Molian said.

Lin Caisang: "..."

Are things that they have discussed before now going to start?

If Liu Baixiao really left, Yacun would be a lot quieter. Just two women, Liu Rumei and Liu Yushui, couldn't make any trouble. After all, Liu Baixiao was the one who had a blood relationship with her grandfather. .

As for Liu Yushui and Liu Qingshui, my grandfather had a very different impression of them.

"That's good."

...

In the yard, under Lu Qiubo's questioning, Liu Baixiao told Lu Qiubo what he thought, and said that he wanted to help Lin Caisang collect the money for water.

This time, Lu Qiubo was angered.

"You bastard, I'll beat you to death!"

He picked up the broom on the side and hit Liu Baixiao head and face with no mercy at all.

"Mom, mother, don't hit me, don't hit me."

Liu Baixiao ran around in circles in the yard, but he still didn't leave in order to get the money.

"As the saying goes, wealth should not flow to outsiders. Since Lin Caisang doesn't care about that little money, I can't give others an advantage no matter what. I am Lin Caisang's second uncle and your biological son. How can you not think about me? Isn't it just a matter of receiving money? Are you afraid that I won't get it?"

"you--"

Lu Qiubo was almost angry to death.

"Dad, throw him out, it's best to break one of his legs!" Lin Changfeng looked at Liu Baixiao's rogue appearance, secretly grinded his teeth and whispered in his father's ear.

This is not the first or second time that he has tried to hit Sangsang on the head.

He didn't do it in front of the villagers before, but now it's better. He actually did such a shameless thing in front of so many people and said such shameless words. How could he tolerate it?

"Um."

Lin Baiyi nodded his head heavily and looked at Liu Baixiao with a gloomy look.

He strode forward and stood a little further. After a while, Liu Baixiao, who was running away in a panic, bumped into him.

"Ouch!"

Being hit by Lin Baiyi's strong body, Liu Baixiao bounced back and fell to the ground.
