

Star of Space 697

Chapter 697 Zhou Liang came to find her

Therefore, she might as well collect all these old leaves and pickle them into pickles so that she can eat them in the future.

"Useless trash!"

Liu Baixiao glanced at Liu Rumei, and now he felt more and more that he was of no use raising Liu Rumei, a woman.

You can't do the housework well just by eating, and you have to look at yourself like a bitter melon every day. The ash all over your body can make noodles, right? I don't know how to clean it up.

He had never thought that in this drought weather, it would be great to have a sip of water. How many people would take a bath every day?

Liu Rumei didn't care what Liu Baixiao scolded her. Anyway, she only cared about being able to eat and not starve to death.

"Let me ask you, where is Yu Shui, why haven't you seen that dead girl? Did you go somewhere to seduce a man again?" After a while, Liu Baixiao asked Liu Rumei loudly when he didn't see Liu Yu Shui coming out.

"This damn girl has a big belly and goes out to act like a fox. How embarrassed is she? She doesn't know how to restrain herself. She really wants to piss me off! Looking back, I don't deal with her properly!"

He was thinking that Lin Caisang didn't get any advantage, and the more he thought about it, the angrier he became. But he couldn't do anything to Lin Caisang, so he could only catch Liu Yushui to vent the bad breath in his heart.

But unfortunately, Liu Yushui is not at home!

Liu Rumei pursed her lips and did not dare to reply.

She couldn't help but think that her daughter was not the only one who was embarrassed. Didn't Liu Baixiao himself lose enough face? I'm afraid that when I went to Lin's house today, I also lost my face, right?

Thinking of their current family, Liu Baixiao was vicious, Liu Qingshui was unfilial and lazy, and Liu Yushui was pregnant out of wedlock, so she was unclear about Zhou Liang.

And here she is...

He lowered his head and looked at his hands, which were soaked in green with vegetable juice, and gritted his teeth.

In just a few months, she has gone from the high-ranking eldest daughter of the Liu family to a woman who is worse than an ordinary village girl. Her fingers are rough with many small scars, and her face looks pale because she hasn't had enough to eat for a long time. , becoming sallow and thin.

She sighed softly.

She shouldn't have been able to live through such a day, but she happened to live like this.

"Liu Rumei, what are you doing!"

Seeing that Liu Rumei didn't answer his question, Liu Baixiao strode over, grabbed her hair and pulled her towards him.

"ah!"

Liu Ru's brows hurt and she screamed.

The next moment, several slaps fell directly on her left and right faces, which made her even more painful and burst into tears. When Liu Baixiao saw her like this, he struck even more harshly, slapping Liu Rumei on his hands and on his feet. He also lifted her up and kicked her legs hard several times.

"You bitch, I asked you not to speak. Where is Liu Yushui? Where did you go? Tell me quickly!"

"I... don't fight, don't fight, I said."

Liu Rumei was beaten so hard that she curled up on the ground and spoke with trembling lips.

"Say it!"

Liu Baixiao kicked her again, then stopped and asked her.

"Yushui is in Xiaozhulin. Today... Zhou... Zhou Liang came to find her." Liu Rumei swallowed and said.

She really couldn't stand Liu Baixiao's daily beatings, and it was okay to scold her once or twice, but there were already too many injuries on her body, and the places covered by clothes were all bruised and bruised.

Those places that had been beaten severely before were now kicked and hit again. The pain was so painful that she wanted to die!
