

Star of Space 698

Chapter 698 I can't accept my fate!

"Zhou Liang?"

After hearing her words, Liu Baixiao paused.

"That bastard still dares to come to Yu Shui?"

Because of Zhou Liang, his daughter became pregnant and he lost all face in the village. It was also because of Zhou Liang that he was kicked out of the Liu family and lost his luxurious life.

Now he actually dares to come to Yacun to find his daughter! Isn't this someone who comes to your door to ask for a beating?

But at the same time, his eyes lit up, and he felt that this was a once-in-a-lifetime opportunity. The money in his hands was getting used up less and less, and it would definitely not work if he stopped thinking of ways to earn some money.

That's why he had the idea of Lin Caisang before.

But now Zhou Liang actually came to the door, wasn't he just here to give him money?

Thinking of this, he kicked Liu Rumei again to vent his anger, then walked out of the yard with his head held high and headed towards the small bamboo forest.

"Whoa whoa whoa."

In the yard, after Liu Baixiao's footsteps were no longer heard, Liu Rumei couldn't hold back anymore and lay on the ground crying.

When will days like this end? Liu Baixiao is really not a human, he is just a beast. He beats her when he is unhappy and also beats her when he is happy. He abuses her as if he has made a habit out of it.

If he didn't spank her a few times a day, his hands would feel itchy.

"What should I do, what should I do?"

Today she told Liu Baixiao that her daughter and Zhou Liang were in Xiaozhulin. Liu Baixiao must have had some evil thoughts again, and might even make things worse between Zhou Liang and her daughter.

When the time comes, she won't be able to count on her daughter, and there's no need to count on Liu Baixiao. It's good enough that she hasn't been beaten to death.

As for his son Liu Qingshui...

She had always hoped that her son would be able to provide for her in her old age, but gradually she came to understand that even though she kept talking about how good her son was, he would definitely be good to her in the future.

But these days, Liu Qingshui watched her being beaten severely by Liu Baixiao and did not come forward to persuade her. Sometimes, she would add insult to injury.

Can she really count on this son in the future?

"Why is my life so miserable? How will I live in the future?"

No one can count on it, and now here, all she has to do is suffer hardship. The Liu family can't go back, what should she do? Are we going to accept our fate like this?

"No, I can't accept my fate!"

Suddenly, she stopped crying, wiped away her tears with her sleeves, and stood up from the ground in one fell swoop.

Liu Baixiao couldn't carry the money with him every day. It must have been placed in a corner of the room. She wanted to find the money and leave this ghost place quickly while Liu Baixiao was still causing trouble for Zhou Liang.

Anyway, she is not from Yacun. As long as she has money and has learned a few skills from the women in the village to support herself, she can make a good living wherever she goes.

Thinking about it, she immediately ran towards the room, searched several places, found the silver hidden by Liu Baixiao under a wooden board in the corner, and packed up a few clothes that had been packed and thrown out by the Liu family.

There were Liu Baixiao's, her own, and Liu Yushui and Liu Qingshui's brothers and sisters.

"With this money, and by pawning these clothes, we can buy a few acres of land elsewhere and build a thatched house."

She was so excited as she held the things in her hands. After packing them with a piece of cloth, she left Yacun, a place that left her covered with wounds, without looking back. She told herself in her heart that she would never return to this ghost village again. The place has come.
