

Star of Space 703

Chapter 703 Oh no, something big happened

If he had known earlier, he shouldn't have listened to his mother and said this to Liu Yushui at this time.

Anyway, Liu Yushui couldn't leave Yacun. Even if he got married, how would she know? When she gave birth to her son, he could just hold his son and leave.

He sighed heavily, he really regretted it.

"Zhou Liang, stop you brats!"

Just when he was feeling regretful, suddenly, an angry voice came from behind him, which made him tremble. He turned around and saw Liu Baixiao charging towards him with a long stick in his hand.

"hiss!"

He gasped and hurriedly walked away, regardless of whether Liu Yushui would be beaten to death by Liu Baixiao.

And Liu Yushui, when she heard her father's voice and saw Liu Baixiao's furious face, turned pale with fright, took a step back, and could only watch as Liu Baixiao rushed over without obeying orders.

"Zhou Liang, wait for me, I will break your legs!"

Seeing that Zhou Liang had run away, Liu Baixiao threw the wooden stick in his hand heavily in the direction of Zhou Liang's escape, and cursed on the spot angrily.

"father....."

Liu Yushui looked at Liu Baixiao with fear.

Countless doubts flashed through her mind. How did her father know that she was in Xiaozhulin? How do you know that person is Zhou Liang? Zhou Liang obviously changed his clothes in order to come here to find her, and he didn't face her father.

Could it be that her mother failed to withstand her father's questioning and confessed her?

It's really possible.

"Dad, you..."

'Snapped! '

Before Liu Yushui said anything, Liu Baixiao raised his hand and gave her a big mouthful.

Unexpectedly, she was beaten to the ground by Liu Baixiao. Although her seven-month-old belly did not hit the ground directly, it was still hit by the chopped bamboo roots. The pain was so painful that she almost fainted.

"ah!"

Stretching out a hand and grabbing his belly, his whole body curled up into a ball...

...

There is no one in the Lin family.

In the yard of Yamolian's house, a man suddenly rushed in. When everyone who was busy saw this, they all looked at him curiously.

"Agen, what are you doing, so angry?" A woman asked him.

"Where are Aunt Qiubo and Sangsang, are they here?" Lin Agen looked at the crowd and asked.

"what's up?"

Lin Baiyi heard what he said, walked out from the big stove in the corner of the courtyard, and asked.

"this....."

Seeing that so many people in the yard were looking at them, Lin Agen didn't want to shout out what he wanted to say to everyone, so he pulled Lin Baiyi out of the yard and into a secluded corner.

After a while, Lin Baiyi hurriedly came to the main room.

"Third uncle, what's wrong with you? Why do you look so bad?" Lin Caisang looked at him and asked.

"Mom, it's bad, something big happened."

Lin Baiyi first glanced at Lin Caisang, then looked at Lu Qiubo, swallowed before speaking.

"What's up?"

Lu Qiubo frowned and asked.

If anything happens to their Lin family, it must be Liu Baixiao's family again.

This family knows how to make things difficult for them every day, and they really don't know how to do anything else. I really want to piss this old bone like her to death.

"When someone was passing by the small bamboo forest just now, they saw Liu Yushui..."
