

Star of Space 704

Chapter 704 It must be a disaster

"Is Zhou Liang here again?"

Lin Caisang instinctively spoke after hearing 'Xiao Zhu Lin' and 'Liu Yu Shui'.

Anyway, this was something everyone in their family knew, and she had nothing to hide. However, her third uncle shook his head.

"no."

"What is that?" Lu Qiubo asked angrily.

She didn't even want to admit that Liu Yushui was her granddaughter, but what could she do? This girl was her granddaughter, and there was no way she could escape.

"It was Liu Baixiao. He knocked Liu Yushui to the ground... and there was a lot of blood. It was probably... that he was going to give birth early." Lin Baiyi said.

"What?"

Hearing this, Lin Caisang stood up from his chair in shock, and even Ya Molian stood up, frowning slightly.

"Grandma, Liu Yushui's baby is only more than seven months old. Now that she is about to give birth, it will definitely be very unlucky." She looked at Lu Qiubo, who was already standing, and said.

Not to mention the belly that was more than seven months old, she just heard that Liu Yushui was beaten by Liu Baixiao, and she felt that the matter was hanging in the balance.

"Where is the person?" Lu Qiubo asked.

"He was taken back home, but...Liu Baixiao knew that he had caused a big trouble, so he didn't even take care of Liu Yushui, so he emptied the house and ran away." Lin Baiyi said.

"Wha...what?!"

Hearing his words, Lu Qiubo staggered and almost fainted.

She beat her daughter until she was born prematurely, and the father actually ran away like this. How could she give birth to such a son?

In fact, Lin Baiyi was wrong, it was Liu Rumei who emptied the house, but Liu Baixiao did panic when he saw Liu Yushui being beaten into premature labor, and ran to the house to pack up and run away.

But when he saw the mess in the room, he cursed a lot, but he was still afraid of being arrested later, because the child in Liu Yushui's belly was of Zhou family blood no matter how he calculated it.

The Zhou family is not something he can afford to offend by himself now.

So, he packed up a few clothes that were still wearable, dug out a few taels of silver that he had hidden more secretly, and no one knew about it except him, and ran away.

"Grandma, don't worry about Liu Baixiao for now. Liu Yushui doesn't know what's going on right now. We have to go take a look." Lin Caisang reminded.

It didn't matter whether Liu Baixiao ran or not. She just hoped that the child in Liu Yushui's belly would be okay. No matter what adults did, the unborn child was always innocent. For Liu Baixiao, you couldn't risk your life for the unborn child, right?

"Yep."

Lu Qiubo nodded repeatedly.

"Baiyi, go to Menghuang Mountain now and call Chu Shui down."

"okay."

Lin Baiyi nodded.

Lin Chushui is Liu Yushui's biological brother. Now that something like this happens to his sister, he will definitely go there.

"I'm going to..."

"Uncle Baiyi, let me go."

Ya Molian said to them.

"You and Grandma Qiubo go to Liu's house first. Son'er, you prepare all the medicine you need, so that I can pick you up later."

He knew that it was impossible for Sonny to ignore the child in Liu Yushui's belly. As a bloody man, it was impossible for him to ignore an innocent child.

"good."

Lin Caisang nodded.

...

After a while, when Lin Caisang and Ya Molian came to Liu's house together, they saw that the door of Liu's house was crowded with people, and Liu Qingshui was nowhere to be seen. Only Lin Chushui was there.
