

Star of Space 708

Chapter 708 Let me go, let me go

"Dad, will Sister Sangsang be okay?" Lin Caiqing stood beside Lin Baiyi and asked in a low voice.

The people on Manghuang Mountain were also notified, and Lin Laogeng and the others also arrived. At this moment, they were standing in the yard waiting for the news inside. Everyone's face was nervous and worried.

"What can happen to your sister Sangsang?" Lin Baiyi glared at his daughter.

Lin Caiqing also found that she had said the wrong thing, and quickly shut her mouth. She was also worried. Sister Sangsang, a little girl, went to deliver Liu Yushui. Who knows what people in the village will say about her?

"Where is the person, where is the person who is going to give birth?"

After a long while, everyone was listening to the movement in the room in silence, but heard a calm voice from the yard.

When Lin Baiyi heard this voice, he felt a surge of anger attacking his forehead, and he wanted to walk forward and kick this unscrupulous old woman out of the yard.

"Aunt Bai, you are here."

When several women saw Aunt Bai, they tried hard to smile on their stiff faces and looked at her.

There was no other way. Every household in Ya Village had to ask Aunt Bai for help. Aunt Bai was the only one who could deliver babies. They could go to other villages to find a midwife, but sometimes distant water could not quench the thirst nearby.

No matter how tricky Aunt Bai was, they didn't want to offend her.

"Yes, I'm worried, so I came to see her.

Aunt Bai looked at the people in the yard, all of whom focused their eyes on her, and she was very proud.

"How is it, did you give birth? Is it a boy or a girl?"

"You——"

Lin Baiyi was angry when he saw her asking for a beating. He was about to step forward, but was stopped by Yang Lin on the side.

"Alin, why are you stopping me? "

"It's better to have less trouble than more. Now my mother and Sangsang are both in there. Let's deal with her later." Yang Lin whispered beside Lin Baiyi.

"Humph!"

Lin Baiyi took a deep breath, but still snorted in anger.

"Lao Geng, which midwife did your family hire? Tell me?" Aunt Bai asked with a smile when she saw Lin Lao Geng sitting in a wheelchair.

She wanted to see which midwife dared to deliver the baby for Liu Yushui, that dirty girl. In the future, she would ruin the reputation of this midwife and take all her business into her own hands!

"Is this midwife good? Can she be as capable as me? Otherwise, I'll go in and take a look?"

"I won't bother Aunt Bai. "

Lin Laogen glanced at her coldly and said.

He had been here for a while. After listening to Lin Baiyi's story about Aunt Bai, she refused to come after being invited twice. This old woman took advantage of her age and took advantage of their Lin family.

"We didn't hire any midwife. Only my old woman went in. In the future, my third son's family will also have a baby. It's good for my old woman to learn a little now."

He said.

"This..." Aunt Bai was stunned when she heard his words. The next moment, her face suddenly turned ugly.

It turned out that Lu Qiubo went in to deliver Liu Yushui in person? The head of the Lin clan and the head of the village were all there. She heard that the head of the village and the others had come, so she came to see.

Now what Lin Laogen said was to blame her for forcing Lu Qiubo to deliver Liu Yushui?

"How can this be allowed? I'll go, I'll go. "
