Chapter 71 Cutting off the body and selling it

"Lin Caihe, I have told you a long time ago that if you want money, you can earn it yourself. This belongs to Sang Sang and Chang Hong. Do you think it is yours?" Lin Baiyi roared.

Every time he was angered by this unfilial daughter, he was almost mad to death.

"Mom, find a match for He'er tomorrow instead, and get this ignorant girl married as soon as possible."

If he were to look at this unfulfilled daughter again, his life would be shortened by a few years.

"father....."

After hearing Lin Baiyi's words, Lin Caihe's eyes immediately turned red.

"Third brother, what are you talking about? It's just a matter of educating the child if he's not sensible. You're talking about a marriage. He's still young." Mrs. Lin Lu said angrily to her son.

"It's because when she makes mistakes, everyone always says that she is still young, which makes her feel that she is really young and it is natural to make mistakes. If this happens again in the future, there will be no peace in the family, mother!"

Lin Baiyi said angrily.

"You are thirteen years old, how can you still be young? Is Sangsang still young? Isn't she digging medicinal materials in the mountains every day to make money? Is Changhong still young? Isn't he going to the mountains to risk hunting to make money? Lian Qing'er Both Zhang Yi and Zhang Yi told me that they wanted to go hunting for wild eggs in the mountains. Chang Feng had to study every day, and at night he had to read books by lamplight and exchange them for money. Look at her! "

It's not that Lin Baiyi dislikes his daughter, it's just that her daughter doesn't live up to expectations.

"Whenever there is something to do at home, she hides in a corner. When it's time to eat or buy something, she appears faster than anyone else!"

"father!"

Lin Caihe's face turned red when his father spoke to him, his hands kept twisting in front of him, and his heart felt tight.

"Why, did your father make a mistake?"

Seeing that she was still unconvinced, Lin Yang also asked her.

"Your uncle gave the mountainous area to Sangsang and Changhong. Your parents don't have anything to give you. Is it possible that you still want your father to cut off the meat from his body and sell it to buy things for you?"

"I....."

Lin Caihe lowered his head uneasily, but still secretly raised his eyes to glance at the mountain deed in Lin Laogong's hand.

"The uncle's money doesn't belong to the family, how can I have a share?" She whispered softly, thinking that no one could hear her, but she didn't know that everyone in the hall heard it.

"Girl He, you really don't have a share in this mountain contract, not even Changhong."

Lin Laogan's sharp eagle eyes swept over everyone in the hall one by one, and finally looked at Lin Caisang, who had just turned his gaze back from Lin Caihe.

"Sang Sang, what did your father say when he handed this mountain deed to you? If my guess is correct, this mountain should be the dowry your father prepared for you in advance, right?"

"Well!"

Lin Caisang choked at his grandfather's words.

Grandpa, you can't be so smart, she doesn't even know how to answer the phone.

"It seems, seems, maybe that's what he said."

Everyone: "..."

Sangsang, is it really okay for you to take out your dowry?

"Sang Sang, is this true?" Lin Changhong asked.

"Um."

Lin Caisang responded weakly.

"Dad, it's true. Does he need to prepare Sangsang's dowry? Do you think that my brother is just a decoration? Sangsang, my eldest brother will prepare a better dowry for you in the future."

Lin Changhong pouted and said to his own sister unconvinced.

Lin Caisang: Looking into the sky speechless...

"So Sang Sang, what do you want to do with this mountain land?" Lin Laogeng folded the mountain deed again, handed it to Lin Caisang, and asked.
