

Star of Space 715

Chapter 715 Why are you so unsatisfied?

He was originally a scholar who could read more books and try to become a scholar. Although he knew that he was not as good as Lin Changfeng of the Lin family, at least he was much better than other people in the village.

Even if it is impossible to achieve success, it would be good to be a teacher in the village in the future.

But now, his originally planned good future has been ruined by his grandfather and sister. Now, let alone reading, he can't even speak freely.

"Yu Lan, get up. Grandpa has something to ask you."

Chief Ya didn't feel that he had done anything wrong at all, and he couldn't help his grandson, so he said to him.

In his eyes, his son couldn't pass the exam and was just a waste living at home. Now he wanted his grandson to do something, and he had to do it for him.

"Grandpa, please tell me if you have anything to do. I'm still busy here. It's almost noon. I have to choose these dishes to cook. Otherwise, Mr. Yunmo and Miss Yunxiang will be angry again."

Ya Yulan said coldly to his grandfather.

"Who can't come and pick these vegetables? Boss, why don't you come over quickly and pick the vegetables?" Chief Ya frowned and yelled at his son.

When Ya's father heard his father calling him, he quickly responded and came over. He pushed Ya Yulan out and went to the side of the Ya clan leader.

Ya Yulan took a deep breath and reluctantly stood beside her grandfather.

"Grandpa, tell me, what's the matter?"

he asks.

"Grandpa asks you, how are you and that girl Yunxiang doing lately? Did you listen to what grandpa said before? Why is it that it's been almost a month and there's still no movement in that girl's stomach?"

Chief Ya asked his grandson politely.

Hearing this, Ya Yulan raised her eyes to look at her grandfather and chuckled.

"Grandpa, you also said it. It has only been less than a month. What can happen?"

He even sneered in his heart, it was strange that Yunxiang's belly could move. He and Yunxiang had never been intimate. If he dared to touch that girl, he would be beaten badly.

Until today, Yunxiang is still a girl. In this situation, can she be pregnant with a child?

"You...why are you so unsatisfied?" After hearing what he said, Chief Ya's anxious expression showed on his face. He wished he could slap his grandson awake.

"Grandpa, didn't I tell you a long time ago that only if Yunxiang is pregnant with our Ya family's child will she obey you. In that case, no matter what we want, Yunxiang will follow you.

You have been unable to make Yunxiang pregnant with your child. How long will it take for grandpa to be free? I'm still waiting to kill those two bastards Ya Molian and Lin Caisang. "

"Grandpa, you..."

Hearing her grandfather's words, Ya Yulan was shocked and almost died from the words.

His grandpa is too whimsical, right? Do you think Yamo Lian can be defeated because of the betrayal of a little girl from Yunxiang?

Besides, although he has not had any feelings for Yunxiang these days, he still has some idea of what kind of temper she is. That girl is very loyal to Yamolian. How could it be possible? Would you betray your master because of other people?

"Hehe, hehe."

He sighed heavily and chuckled.

"Grandpa, you can do it yourself if you want to do it. However, I beg you not to trouble my parents and me anymore. I am still young and there are many things I want to do. We don't want to accompany you and Juxiang. Let's die together."
