

Star of Space 720

Chapter 720 This is your son

"scare!"

Zhou Liang was startled by her sudden voice and quickly turned around to look at her. After a while, he calmed down his frightened heart and looked Liu Yushui up and down.

"Yushui, are you sure you want to part ways with me? In fact, it's not a bad idea to follow me. At least you can have enough food and clothing. I can also buy you a house to live in. What a good thing it is. You... .."

"enough!"

Liu Yushui shouted coldly to stop his words.

"Where's the money? Have you brought it?"

She has no feelings for Zhou Liang at all now. She just wants to get the money as soon as possible and live an ordinary life with her precious daughters.

Anyway, both of them are girls. With the snobbery of Zhou Liang's family, they will never care about her, and they will not come to snatch the child from her.

Furthermore, it doesn't matter if she wants to rob him. She gave birth to the child, and everyone in Yacun can testify for her. As long as she doesn't admit to having any relationship with Zhou Liang in the future, who can say that her child is Zhou Liang's.

The last point is the most important, that is, Mr. Zhou is very old and can never afford to be embarrassed!

"silver....."

Zhou Liang was choked by her question and gritted his teeth again.

"My mother only gave me fifty taels of silver. She said, do you want to have children or not? There are many women who can give birth to children for me anyway. As for this little money, I will give it to you for free. I will not allow it again in the future. Mention things about you and me to outsiders.

He handed a bag of silver in his hand to Liu Yushui.

"you--"

Liu Yushui stared at Zhou Liang, and then looked at the money bag in his hand. She felt a bad breath in her heart, and almost suffocated her to death. How could she be so stupid before? Seeing how scumbag Zhou Liang was, she could no longer do it. Scumbag man? Are you blind?

"Hehe, hehe, since we have to talk so much, there is nothing more to say. Bring it here."

Taking the money bag in his hand into her own, she suddenly thought about it and was no longer angry.

When she asked Zhou Liang for five hundred taels of silver the day before yesterday, she was still thinking about finding a place to live a comfortable life. But things are different now. She has two daughters. Now she feels that as long as she has two daughters, The place where she is is her best home.

Fifty taels of silver is enough for her to buy a lot of things. Now she only thinks about living a down-to-earth life in Yacun and nothing else.

"Yushui, take the money, that child..."

Zhou Liang also pointed at the child in Liu Yushui's belly. After all, it was his son. If he could give birth, he would definitely take it away.

"snort."

Liu Yushui ignored him and turned around to walk out of the small bamboo forest.

"Yushui, Liu Yushui, don't leave. Tell me clearly, what are your plans for this child?" Seeing her leaving, Zhou Liang immediately chased after her.

It wasn't until he chased him very close to Yacun that he didn't dare to chase after the looming villagers for fear that the people of Yacun would see him.

Seeing that Zhou Liang stopped chasing, Liu Yushui turned around and looked at Zhou Liang.

"Zhou Liang, don't you want your son?"

She slightly curled her red lips and looked at Zhou Liang evilly, then slowly opened her top, took off the clothes tied around her belly, held it in one hand, and waved it in front of Zhou Liang's eyes.

"This is your son, do you want him?"

"You...Liu Yushui, where is my son? What did you do to my son?" Zhou Liang looked at the clothes wrapped in long cloth and was so angry that he almost lost his breath.
