

Star of Space 727

Chapter 727 Remember to protect him

Lin Caisang explained again.

According to Yu Jing's meaning, this clone can't be made just by pinching out a piece of it. And after she pinched out the golden bead to make the clone, she also understood that Yu Jing's words were very reasonable.

Her body couldn't bear to create another clone in a short period of time.

Therefore, this golden bead must be used at the most appropriate time and must not be wasted carelessly.

"Also, don't let anyone else know about the existence of this jade plaque." She explained.

"Including Master?" Zhong You asked.

"Including your master!" Lin Caisang said with absolute certainty.

If Ya Molian knew about it, this golden bead would make the clone in vain. She might as well follow Ya Molian herself. x9°"~~`"°qx

"Also, before crushing this jade tablet, it would be best to engrave your location on it. That way, it will be easier for me to find it." She added.

"Okay, I understand."

Zhong You nodded, went to find a red rope, strung the Golden Pearl Ling clone, and hung it around his neck.

...

In Ya Village, Ya Molian went to the Ya clan and the Lin clan successively, met with the Lin clan chief and several clan elders, and told them about his situation.

Basically, his long-lost family members have come here and want him to go home and recognize his ancestors. He doesn't know how long it will take before he leaves, so they should all take good care of Lin Caisang.

Then, he went to Lin's house again, told Lin Laogan and Lu Qiubo for the same reason, and promised that he would never let Lin Caisang down.

Although Lin Laojie was worried, Ya Molian's family came to find him. He couldn't prevent Ya Molian from returning to his home and meeting his biological parents for the sake of his granddaughter, right?

This is certainly not something he would do.

"Mo Lian, although your relatives have come to find you, they have been separated from you for many years, and everything is still unknown. You must not trust others too much and put yourself in danger."

Lin Laogan explained to Ya Molian.

In order to act realistically, Ya Mo Lian asked his subordinates to disguise themselves as wealthy people and come to his home. Therefore, everyone in Ya Village now knows that he, Ya Mo Lian, has a wealthy identity.

In this way, people can believe that he wants to leave.

"I know, Grandpa." Ya Molian nodded.

"Sang Sang is still on Menghuang Mountain. You haven't told her about this matter yet. Go talk to her." Lin Laogan looked at him and said.

"good."

Ya Molian stood up, nodded to Lin Laogan, and went to Menghuang Mountain.

...

On Menghuang Mountain, Lin Caisang packed everything Ya Molian and the others needed to take away, and was waiting for him to come up.

Sure enough, after a while, she saw Ya Molian and Ban Jue coming up together. She hurriedly walked over and looked up at Ya Molian.

"I've prepared everything you need, so remember not to skimp on it. And Zhong You, he doesn't have time to be with you. You remember to keep him safe, otherwise, I won't be able to tell you His father confessed."

The key is to let Zhong You keep an eye on Ya Molian and not let her know about it after he put himself in danger.

"good."

Yamolian responded.

Remembering that Zhong You wanted to leave with him, he spoke to her again.

"We will leave soon. Before leaving Ye County, I will stop by Zhong You's house and talk to his father."

"That's fine. If he leaves with you, he always wants to go home and say something." Lin Caisang nodded.
