

Star of Space 747

Chapter 747 Liu Yushui wants to see me?

At this moment, Ya Juxiang, because she heard the scary words Lin Caisang said just now and thought that she was going to be in pain so much that she fell to the ground with weak legs, crying so hard that she couldn't help herself, as if she was wronged.

But the fact is that Ya Juxiang is the most hateful person in this whole incident.

If she hadn't scolded Lin Caisang at home every day, if she hadn't told Ya Zhengguang from time to time how bad Lin Caisang was to their family and how much she hated Lin Caisang, Ya Zhengguang would actually do Not to this point.

"When will Mr. Yun come back?" Lin Caisang looked at Yun Mo and asked.

"Mother, my father has to do some things, and it may take a long time. If there is something wrong with Mistress, I will send a message to him right away." Yun Mo said.

Hearing this, Lin Caisang looked at Chief Ya and others and curled his lips.

"No need."

She has already taken action. It doesn't make any difference whether Old Yun comes or not. Anyway, as long as this family dares to make the slightest noise, just wait for the pain!

"Chief Ya, the poison I gave you will take effect tomorrow night, and it will last for three hours. You and your family should slowly feel it. I will wait until you have thought about it. What to do, and then decide whether to give you the antidote every two days."

"You... Lin Caisang, you must be so... ugh!"

Ya Zhengguang was just about to scold Lin Caisang, but Yun Mo grabbed his throat and couldn't say a word.

"If you dare to speak nonsense again, I will kill you!"

"Yun Mo, you don't have to be like this, let him go.

Lin Caisang didn't care what vicious words Ya Zhengguang would say to scold her, and raised his hand to stop Yun Mo.

"Mother, he..."

"Brother, what do you still care about what this old guy says? After the poison in his body takes effect tomorrow night, he will no longer be able to curse. If he dares to curse in the future, we will give him the antidote once and see if he can Swear a few words!"

Yun Mo's words were interrupted by Yun Xiang.

"You... you..."

Ya Zhengguang was so frightened by their words that he couldn't say a single vicious word.

...

After settling the matter at Ya clan chief's house, Lin Caisang went home.

However, before he returned home, he saw Lin Chushui who had returned from Liu Yushui's home. He lowered his head and couldn't hear what he was mumbling.

"Chu Shui, what are you doing? Is there something going on at Liu Yushui's family?" Lin Caisang asked him.

"Sister Sangsang, why are you here?"

Lin Chushui was thinking about Lin Caisang when he heard her voice and immediately raised his head to look at her.

"Look at what you said, why can't I be here? You are already at the door of the house, don't you know?" Lin Caisang looked at him funny and asked.

"Well."

When Lin Chushui heard this, he looked up and saw that he was indeed at the door of his house.

He was so absorbed in thinking about things that he really didn't feel anything.

"Seeing that you are so distracted, what happened?" Lin Caisang asked again.

"this....."

Lin Chushui looked at Lin Caisang with some embarrassment, not knowing whether he should tell her or not.

After hesitating for a while, he took a deep breath and made up his mind to speak to Lin Caisang, "Sister Sang Sang, I went to Liu Yushui just now, and she asked me to tell you that she wants to see you."

"Liu Yushui wants to see me?"

At this time, Lin Caisang was surprised. Although Liu Yushui was saved by her, he was somewhat grateful to her, but he didn't want to see her, right? After all, Liu Yushui had to take care of her two daughters, and she was in confinement and recuperating, so she was already busy enough.
