

Star of Space 754

Chapter 754 Can she?

But for a woman from the countryside, who would bother to check her background? What's more, in the past two and a half years, although Yilu has been at odds with them and has been a bit fussy, it is still just the behavior of a young woman.

"I was followed by her just now." Lin Caisang said.

"What?!"

Ya Yufeng, who was walking in front, couldn't help but turn around and look at her when he heard her words.

"Sang Sang, are you sure? It's really Ban Yilu?"

"I'm not dazzled yet. Although it's just a back view, she pushed me in Brother Mo Lian's yard before. I remember her figure very well." Lin Caisang said.

How could she forget the person who almost caused her disfigurement? She had to remember it. Moreover, it was not completely dark at the time. How could she be wrong? Ban Yilu was definitely right.

"If it is really her, then this woman is indeed very suspicious." Ya Yufeng glanced at his wife and said.

"Whether it's her or not, this person must be investigated carefully." Nangong Piao'er also said.

"I heard that she has been going to Chief Ya's house very frequently recently. Although she is always not allowed in, I have heard people mention it several times and saw Ban Yilu appearing at the door of Chief Ya's house."

she said.

"Ya clan leader's family?"

Lin Caisang couldn't help but chuckle.

"It seems that you are not her target. Her target is Yun Mo and Yun Xiang. She wants to establish a relationship with them and get close to Ya Molian."

"Master, what do you mean..."

After hearing her analysis, Nangong Piao'er's face turned green.

Could this Ban Yilu be a spy sent by someone to get some information from Yun Mo and Yun Xiang?

But that's not the case. Yun Mo and Yun Xiang can't even contact the palace master. What's Ban Yilu doing to inquire about them? You know, her husband Ya Jinghong had an extraordinary relationship with the palace master, even better than her husband-in-law Beidou.

Why go find these two little guys, Yun Mo and Yun Xiang, if you don't take such a great shortcut?

"Based on Ya Jinghong's previous relationship with her master, she shouldn't..."

"Piao'er, are you stupid?" Ya Yufeng interrupted Nangong Piao'er.

"So what if Ya Jinghong has a good relationship with Brother Mo Lian? Ban Yilu still can't get in touch with Brother Mo Lian. You and Beidou can go to Brother Mo Lian's house even if we are not here, but Ban Yilu, she can ?"

Based on this, everyone can tell that they are guarding against Ban Yilu, right?

"You mean she doubts us?" Nangong Piao'er asked.

But as soon as she finished speaking, she shook her head again, denying what she said.

If he really suspected her and Beidou, Ban Yilu should have approached them long ago instead of treating them as enemies and glaring and cold-faced whenever they met, so it was definitely not the case.

"No, she doesn't doubt us, but thinks that the master doubts her, so she doesn't dare to approach the master."

"Um."

Ya Yufeng nodded.

"It seems that we really need to investigate this Ban Yilu carefully." Nangong Piao'er said.

"No matter whether Ban Yilu's identity is worthy of doubt or not, it is always right to check." Lin Caisang said to them.

"Piao'er, when you and Beidou go to investigate, remember to be careful and don't let anyone doubt you. Also, don't directly check Ban Yilu's identity. Some people, even if you check their identity, , and nothing can be found."
