Chapter 771 The grandson of Duke Wu

"They are from Duke Wu's residence," Old Man Zeng replied.

"Wu Guogong? Who is he?"

She had never heard of Duke Wu in Jian'an City. Could it be that she was ignorant?

Impossible, Brother Mo Lian had mentioned it to her all the big shots in Jian'an City. It was impossible for her to forget about Duke Wu Guogong. However, if Wu Guogong was a big shot, Brother Mo Lian would not fail to mention it to her.

"They are the natal family of the current Queen Mother." Old Man Zeng said.

"The current Queen Mother..." Lin Caisang was speechless.

The current Queen Mother is not related by blood to the Emperor. To put it bluntly, she was just temporarily taken over to become the Queen Mother.

Moreover, if she remembered correctly, Ya Molian had told her that the current Queen Mother had been at odds with the Emperor for many years, and had even harmed the Emperor's biological sister, which was... the eldest princess she knew.

Of course, how could the Queen Mother's family be reused by the Emperor?

"Such a person dares to mess with me?"

Is there anyone in Jian'an city who doesn't know that she has a gold medal for immunity from death given by the emperor? Has this Duke Wu been given the heart of a bear or the courage of a leopard, and dared to pry her into the corner?

Just pry, but before the pry was successful, Zeng Yulang discovered his fox tail in the end?

"He is relying on his own elder brother, the Queen Mother. No matter how many unreasonable things he does, the emperor can't really do anything to him." Old Man Zeng said.

In the past, he would not pay attention to these things, but since he announced that he would follow Lin Caisang, he has learned everything about the big and small things in Jian'an City, from the emperor's relatives to the small gangsters on the streets. .

"What happened next?" Lin Caisang asked.

Looking at Old Man Zeng now, he doesn't look like he was bullied. It seems that the matter has been settled, but I don't know whether Old Man Zeng and his son asked Jiulian Palace for help, or they used some other method.

"Later, the people in the eldest princess's house directly threw the man who bribed the servants on our farm into the prison of the Ministry of Punishment. Wu Guogong's grandson is still in prison. The eldest princess didn't let him go, and even the emperor didn't dare to let him go. Release it."

Lin Caisang: "..."

She didn't expect that the eldest princess would actually help in the end. It seemed that she would have to be nicer to the eldest princess in the future.

But, is the eldest princess really that powerful? Even the emperor dared not release the grandnephew of the Queen Mother after being imprisoned. How about those ministers? Didn't any of the ministers come out to say a few words for the Queen Mother?

Well, if the emperor doesn't speak, who among the ministers dares to speak.

"Just lock him up. He even dares to mess with me. It shows that he has done many bad things in the past. If he is locked up for a while longer, he will be doing justice to God."

It's just a pity that such a person who does many evil things is just because there is a queen mother in the family. No matter how big the crime is, as long as no one is killed, he will not be held accountable too much.

Otherwise, the emperor would first be charged with being unfilial.

"Yes, my boss is right."

Old man Zeng nodded repeatedly. He really wanted to step on those people who were full of evil but could not do anything to them, but it was a pity that others were too weak to dare.

"Master, how long can you stay here this time?"

"I won't be able to stay long, I still have things to do." Lin Caisang said.

"Let's go and have a look at the shop with you. How has Brother Yulang been studying recently? It's almost autumn. This is a big event and we can't leave it behind."

she asked.
