

Star of Space 773

Chapter 773 What did you think of?

This time, it will not be so easy for the guy from the Wu family to get out of the prison of the Criminal Department.

It was a coincidence that she now lived in the royal hunting ground. Even if the Queen Mother wanted to find the Emperor to excuse her grandnephew, the Emperor could just put all the blame on her.

If you have the ability, the old woman will come to this royal hunting ground to find her.

"Hey, Miss Lin, why are you just thanking your aunt? I am also responsible for this." On the bed, the second prince heard the conversation between the two and cried out in dissatisfaction.

"If I hadn't gotten the news and informed my aunt, that bastard Wu would have been put in jail. It's all thanks to me. I also asked someone to pass on the news to your Zeng Yulang. Otherwise, he would have known about the Wu family. It's the little moves that make you feel evil."

"You."

Lin Caisang rolled her eyes at him.

"Just you? From what you're saying, do you think you've sent everyone to my Huayuan Farm?"

"Well."

The second prince choked at her words and immediately didn't know what to say.

"I'm... I'm not afraid that someone will cause trouble. Don't worry, nothing will happen to you. Those of me will definitely not get any news. I don't want to know your secrets. "

After a long time, he spoke up and explained his behavior.

"How many more?"

Lin Caisang really had the urge to curse.

Listening to Old Man Zeng talking about what happened, she was thinking about how the eldest princess's people came in such a timely manner, but she didn't expect that this girl would arrange people to come to her Huayuan Farm.

And there are just a few of them arranged!

"Miss Lin, Xiao'er is also worried that you will be bullied." The eldest princess spoke up and spoke for the second prince.

"Although Jian'an City is at the foot of the Emperor, the streets are full of powerful people. These people are used to bullying others. When they see you, a newcomer to Jian'an, they will inevitably want to overpower you. Besides, you are often away from Jian'an City, and only the two father and son of the Zeng family are left, so they feel that you are even easier to bully.

Of course, it is not appropriate for Xiaoer to place the person in your Huayuan Farm. Once he recovers from his injury, I will let him take the person back. "

Lin Caisang: "..."

When he recovers from his injury, this will be a wonderful thing to say.

This is the majestic Second Prince. It is just a matter of a few words to get a few people back from where. How can he bring them in person? Do you want it to be so troublesome?

However, this incident made her a little alert.

This second prince can send people here, but there is no guarantee that others will not send people to hide in her Huayuan Farm.

Last time, Ya Molian proposed to bring all the people from Huayuan Farm to Jiulian Palace for training. Fortunately, they didn't go. Otherwise, wouldn't even Jiulian Palace be exposed?

Also, there are people from Jiulian Palace in Huayuan Farm. Wouldn't it be bad if those hidden people heard things they shouldn't? Thinking of this, her face turned a little pale.

No, we must find a way to get rid of all these people, otherwise, she will never be able to rest assured.

"Miss Lin, Miss Lin?"

"Um?"

The eldest princess called out several times before she was pulled back from her deep thoughts.

"Is there something wrong with the eldest princess?"

"fine."

The eldest princess shook her head.

"Miss Lin, did you think of something just now?"

Hearing her words, Lin Caisang lowered her head, an evil light flashed in her eyes. The next moment, she raised her head and looked at the eldest princess.
