Chapter 782 Then get lost

"Um.

Sui Ziyou cleared up the doubts in his heart, nodded and started eating heavily.

Sure enough, not long after, the housekeeper of the Imperial Prefect's Mansion came over. Although his face was ugly, his attitude towards Lin Caisang was quite respectful. He nodded and begged Lin Caisang to go to the Imperial Preceptor's Mansion to save people.

"This girl, someone from our house had some errands before. I would like to ask you to be more generous and not to be as knowledgeable as those people. Now the Imperial Master has invited you to go to the house to talk to me. I wonder if you can go..."

"Of course...impossible!"

Lin Caisang glanced at the housekeeper lightly, said something, and then continued to eat her food, not taking these people seriously at all.

"this....."

The housekeeper choked at her words and suddenly didn't know what to do.

He raised his hand and wiped the cold sweat from his forehead, thinking that his master was in the house and was already rolling on the floor in pain. If he didn't invite these two aunts back quickly, the master would probably give him his head. Unscrewed.

He had to speak.

"Girl, please be okay, my adults are all lying in bed and can't get up..."

"That's not a good idea. We can die together with his son."

Lin Caisang took his words and sneered heavily.

"This... this girl, after all, my master is the imperial master. You are like this... girl, aren't you here to treat my young master? The younger one is here to take you to the house. You can just do whatever you want." Let's go over there."

What can the housekeeper do? Facing this little aunt, he really has nothing to do.

When other people heard the words "Guoshifu", their legs were so frightened that they became weak and could not say a word. But as for her, she was able to poison his master, and she could still do it when facing him. What you say is so absolute.

"Girl, you poisoned my lord and you didn't leave Shaohua City in time. You must have wanted my lord to know that you were here. Even so, why did you have to..."

This little girl poisoned the Imperial Master. Instead of running away quickly, she actually went to the largest restaurant in Shaohua City to eat and drink. She didn't take his family seriously. Such a person is not a powerful character. What could it be.

She is waiting here now. If he guessed correctly, she is simply waiting for someone from the Imperial Master's Office to come to invite her.

However, he has already come to invite her, so why is this little girl still hesitating?

There was a vague thought in his heart. Thinking of that answer made him feel bad.

"Girl, what are you..."

"Since you've guessed it all, get out of here." Lin Caisang raised his eyes again and glanced at the housekeeper.

The housekeeper's heart trembled and he sweated profusely.

Sure enough, he guessed right, this little girl really wanted his adults to come and invite her in person.

But this... what kind of person is his family? How can he come to invite a little girl in person? What's more... this is the largest restaurant in Shaohua City. With so many people watching, how can his family allow himself to be like that? lose face?

"Girl, you must..."

"Waiter, bring ten more roast chickens to this table."

Before the butler could finish his question, he heard Lin Caisang shouting loudly to the waiter who was standing far away.

Then, she turned her eyes and looked at the housekeeper of the Imperial Prefect's Mansion, "Old gentleman, please hurry up. My sister and I are ready to leave the city after finishing these things."
