Chapter 793 Use her as a human shield to block arrows

After hearing her words, the Black Panther immediately squatted down on the spot, staring straight at Su Yang with his eyes.

Suyang: "..."

Is this wild guy afraid that he will be harmful to his master?

As for that little girl, what can he do to her? It would be nice if she doesn't poison him to death.

"Girl is getting ready to leave."

After being poisoned once and criticized again, he has figured it out.

If he wanted to cure his son's illness and poison, he could only rely on the little woman in front of him. If he was disrespectful to her, he would be driving his son to death and cutting off the roots of his Su family.

He can't do such a thing. (つ〇ㇿ〇)つ

"I'll take the first step. I have to study the poison on Mr. Su's body carefully. I gave Butler Xin a medicine list before, and I also asked the national master to find all the medicinal materials on the medicine list. They will be used by then."

Lin Caisang said to Suyang.

"Okay." Suyang nodded.

"One more thing. Mr. Su is jealous and jealous. You must not be angry or sad. I see that Mr. Su's temper is not very good. Master Su, if you are free, you should give him more advice."

Thinking of the scene he saw in Su Ri's room before, Lin Caisang frowned in displeasure and said Su Yang.

It was really sad to raise such a son, but there should be no good people in this Imperial Master's Mansion, so she wouldn't be surprised if he raised such a son.

"My master understands. Suyang nodded.

His son will naturally do whatever he wants, but in the past few days, he will definitely advise his son to endure it for a while, so as not to offend this little woman who can cure his son's illness.

"In that case, I'll leave first." Lin Caisang said.

She didn't expect Suyang to be able to teach her son well. As the saying goes, the upper beam is not straight and the lower beam is crooked, it still makes sense.

"You, Xiaohei, we..."

'call out--'

Lin Caisang turned her head. Before she finished speaking, she heard the sound of arrows piercing the air. She turned her head and looked to the side, only to see several arrows shooting in the solemn direction. .

Her heart moved, and she was looking for a place to hide, but she felt that her arm was entangled with something.

The next moment, he was forcefully dragged in front of him by Su Yang to block the arrow!

Lin Caisang: "!!!"

"Sister-in-law, be careful!"

Seeing this, Sui Ziyou's face turned pale, and she really wanted to rush forward and block Lin Caisang's way, but she had no kung fu, let alone flying.

At this moment, a black figure jumped up beside her and rushed towards Lin Caisang.

'Roar! '

With a roar, the Black Panther threw Lin Caisang to the ground.

Su Yang felt his hands were empty. The next moment, he saw arrows like raindrops shooting towards him. The carriage was already nailed with arrows. He dodged and hid behind the carriage.

"damn it!"

Lin Caisang roared angrily.

At this moment, she wanted to kill Suyang, and actually used her as a human shield to block arrows. This hatred was completely settled.

"Xiao Hei, are you okay?"

She looked at the black panther and saw it leaping up, dragging her arm with its teeth, and then went to the side. She also used her own strength to crawl and hide behind the stone lion on the side.

"You, come here!"

Sui Ziyou came to his senses and hid quickly.

At this time, Butler Xin had already summoned the guards and started to resist. The masked men in black came to kill him. Although he was the elite among the elite, he could not be the opponent of so many guards in the Imperial Prefecture. He was quickly suppressed. He went down without even touching a corner of Su Yang's clothes.
