Chapter 809 Why can't I get married?

"The marriage between our Lin family and your Zhou family has been canceled a long time ago. Who in Ya Village doesn't know that I have made an engagement with Ya Molian and accepted her betrothal gift. Who do you want to embarrass when you come here now?"

Of course, only the Zhou family was embarrassed.

But Old Master Zhou didn't think so. Since Lin Caisang's appearance has changed and he has the name of Fortune Star, he will naturally fight for his grandson.

He took a deep breath, grinned and spoke to Lin Caisang.

"Sang Sang, what my Liang'er did to you before was not our fault. Didn't you also keep chasing my Liang'er before? No, I..."

"That's because I was blind before!"

Lin Caisang's words directly choked up a lot of words that Old Master Zhou wanted to say.

"Such a scumbag, I chase him as if I've been walking my dog all these years!" she added.

"Lin Caisang, what did you say? Say it again if you can!" Mother Zhou screamed angrily when she saw her son being humiliated, and wanted to step forward and slap Lin Caisang.

However, with so many people from Yacun in the yard, how could she be allowed to get her wish?

Lin Changhong didn't say anything. He just stood next to his sister. Zhou's mother immediately stopped and didn't dare to act wild in front of Lin Caisang.

"Lin Caisang, what are you so proud of? Now who doesn't know that you were dumped by Ya Molian? He has already run away and doesn't want you anymore. If my Liang'er doesn't marry you, you will be your old girl at home. Well, I won't be able to get married for the rest of my life!"

If she couldn't hit him, she could always scold him. Mother Zhou pointed at Lin Caisang's nose and started scolding her.

"laugh."

Lin Caisang sneered.

"If that scumbag son of yours was the only man in the world, I would really rather be an old girl at home than spend my whole life being fed to dogs!"

"you--"

Mother Zhou's whole face turned red because of Lin Caisang's words.

"Sang Sang, do you really not give me any face?" Old Master Zhou looked at Lin Caisang steadily and asked in a deep voice.

"face?"

Lin Caisang's lips curled up and she looked at Old Master Zhou.

"Old Master Zhou, face is something you earn by yourself, not by others. Furthermore, if you, the Zhou family, throw your face on the ground of my house, what can I do?"

"Lin Caisang!"

Old Master Zhou was really annoyed by Lin Caisang and shouted sharply.

However, seeing how Lin Caisang didn't take him seriously at all, what could he do? He could only take a deep breath and turn to look at Lin Laogong.

"Old Geng, are we really not allowed to talk about our family's marriage?" he asked for the last time.

"Even if the daughter of my family cannot marry, she will not have anything to do with your Zhou family." Lin Laojie's cold voice sounded in the yard.

"you--"

Old Master Zhou felt his eyes go dark and almost fainted from anger.

But he was getting even more angry later. Just when Lin Laojie was trying to make the Zhou family look good on his words, a figure walked out of the kitchen.

"Master, how can you say that?"

Lu Qiubo held a knife of meat in his hand and looked at his old man with disapproval in his eyes.

"The marriage between our family's Sangsang and Mo Lian is going well. Now that Cai Qing has made an engagement, why can't we get married? In the future, our Lin family will only get better and better. There is no reason why we can't get married and have a daughter." , I won't be able to say this anymore.
