

Star of Space 810

Chapter 810 Kicked me?

Also, let me tell you, Mr. Zhou, is your grandson unable to get a wife? You have to come to my house all the time. Why, do you think that my granddaughter is fine now? It's a pity, it's too late. Even if your grandson is reborn in his mother's womb, my granddaughter will not like it.

"You, you guys..."

Old Master Zhou was so angry.

He finally figured out that there were so many people in the Lin family today. It was Lin Laogong and the others who called these people here to watch the Zhou family's good show!

"Okay, okay, you're fine, let's go!"

How could he have the nerve to stay here? He quickly called someone and prepared to leave.

However, Zhou's mother didn't think so. Today she must decide on Lin Caisang. Lin Caisang must be her son's concubine. They have to be willing even if they don't want to.

"Uncle Geng, let me tell you, my Liang'er will marry the governor's daughter in the future. If you don't agree to the marriage today, you won't even think about having a good life in the future! If I were you, I would quickly marry my daughter Send your granddaughter to my house, otherwise... you will be left with nothing to eat in the future!"

She threatened Lin Laojie.

Everyone: "..."

When could a small family like the Zhou family become a county governor?

"The daughter of the county governor is really amazing." Lin Caisang said with a grin.

"Huh, Lin Caisang, you have some sense and agree to this marriage obediently, otherwise..." Seeing Lin Caisang say this, Zhou's mother thought they were all afraid, and there was a proud smile on her lips. laugh.

But before she finished speaking, she was interrupted by Lin Caisang.

"Miss Ninth of the County Sheriff's Mansion, right? What a pity. I wonder if the County Sheriff will ruin his reputation for the sake of a concubine's daughter?"

"You...how did you know?"

Zhou's mother was shocked. She didn't expect Lin Caisang to know exactly who her son was going to marry, and she was immediately frightened.

"What don't I know? I also know that whether your marriage can work out depends on whether your son can live up to his expectations. If he doesn't live up to his expectations, there's no guarantee that this marriage can work out!"

Lin Caisang continued.

Of course, what she didn't say was that the nine-gold man from the Sheriff's Mansion had already decided to rely on Zhou Liang. Regardless of whether he passed the exam or not, his fate would be the same.

"You... what are you talking about? The marriage between my Liang'er and the county governor's family is a matter of course. You..."

"Am I talking nonsense?"

Lin Caisang interrupted her again and asked her.

"If what I said is wrong, then why do you Zhou family come to Yacun like crazy? Isn't it because you are afraid that scumbag Zhou Liang won't be able to pass the exam, so you want to get engaged to me again, so that you can take advantage of my luck and let him Will he be able to pass the Juren exam in one fell swoop? Then, after he passes the Juren exam, he will kick me out again?"

"You...how could you..."

At this time, Zhou's mother really stuttered. What Lin Caisang said was exactly what she was thinking.

First, use Lin Caisang to let her son pass the exam, and then he can marry the county governor. Then, her son can have a smooth journey and bring glory to the Zhou family.

"With your little cleverness, you still want to plot against me? Haha." Lin Caisang sneered and looked at the livid old Master Zhou.

"Old Master Zhou, in my opinion, you still have to have some dignity as a human being. Don't do everything you can, otherwise it will be difficult for you to be a human being in the future!"
