

Star of Space 814

Chapter 814 Wait and see what happens

Ban Jue looked at his palace master, then at his mistress, and couldn't help but raise his hand and touch his nose.

It seemed that it was not unreasonable for the palace master to deal with those people. Even the mistress who was born in Yacun felt that something was wrong.

"It has been dealt with a few days ago." Ya Molian said.

"A few days ago? Don't tell me, was your people responsible for the assassination outside the Imperial Prefect's residence?" Lin Caisang finally figured it out.

Fortunately, such a stupid person was dealt with. Otherwise, there will be endless troubles in the future, and there is no telling what stupid things he will do. Not to mention, it is very likely to damage Yamolian.

Ya Molian didn't speak, but she didn't deny it either.

"You actually have such people under your command, no wonder you were poisoned in Shaohua City.

Lin Caisang couldn't help but muttered. It turned out that Yamolian's poisoning was not unreasonable, but that the people who arranged it in Shaohua City were so useless!

"Let's not talk about this for now. Let's talk about you. When are you going to go to Baibind Mountain?" she asked.

"Still waiting, waiting until they can't bear it any longer and come to us for help," Ya Molian said.

Naturally, it is impossible for him to volunteer to go to the top of the White Blind Mountain to save people. Judging from the current situation, it depends on how long those people in the palace can endure it, but thinking about it, it should be soon.

"Then let me keep dragging you here." Lin Caisang nodded and said.

"Drag? Mistress, who are you dragging?" Ban Jue asked.

"Don't ask if you shouldn't ask."

Lin Caisang glared at him and turned to Ya Molian.

"I gave Su Ri a chronic detoxification medicine. As long as it is used properly, it won't be a problem to delay it for a few months. I can still come to Shaohua City in these few months."

she said.

"at any time?"

Yamolian's eyes flashed slightly and she asked,

"Yes, anytime." Lin Caisang nodded.

If possible, she really wanted to live in Prince Mo's Mansion, but reality didn't allow it.

"By the way, there is one more thing I don't know if you have received any news. Regarding Ban Yilu, which of your enemies should be placed in Ya Village to spy on you? I want to ask what your plans are?"

Suddenly remembering Ban Yilu's incident, she said.

"Ban Yilu..."

"The palace master should be from the emperor." Ban Jue whispered softly in Ya Molian's ear.

Apart from the emperor, he could not think of anyone else who would dare to put a spy in Ya Village to spy on the master of his palace.

"no."

Ya Molian shook his head, and his intuition told him that Ban Yilu would not be the person next to the emperor, and there were many other possibilities.

"Sang'er, don't touch her for now. Just wait and see what happens. You... let people keep an eye on her more." He said to Lin Caisang.

"The order has been given." Lin Caisang nodded.

Since it couldn't be destroyed directly, just keep a close eye on the person as she had thought before.

"However, this man is very naughty."

Ban Yilu is worthy of being a spy. Nangong and Beidou told her before that with Ban Yilu, she might see through her at any time, and she needs to be vigilant at all times to guard against her.

But it can also be seen from this that someone really spent a lot of money to bury this woman in Yacun.

"Besides her, are there other situations?" Ya Molian asked her.

He knew that even Suyang dared to beat up this girl who was half-Yilu before Sonner even took him seriously.

"What can happen? Yacun is just a small village. No matter how hard you try, it won't cause any big storms." Lin Caisang said.
