

Star of Space 822

Chapter 822 I'll wait for you here tomorrow

"This courtyard is very hidden. No one will find out about me. You can live here in Shaohua City from now on, which is more convenient. As for those people in the palace, don't pay attention to it. If Suyang doesn't want to save his son Yes, just let Su Ri die.

Ya Molian said to her.

"oh."

Lin Caisang responded.

She secretly thought in her heart that if Su Ri died, she would die, but she wouldn't be able to come to Shaohua City often.

What's more, if she fails to complete the task, won't she have to be punished?

"I won't pay attention to those people. As long as you have nothing to do here, it's fine. It's almost autumn and I'm going to be busy. I really can't care about things here.

"I'll send you to get the Thousand Needles Jade." Ya Molian said knowing that she was going home.

"Are you going to send me away so soon? You are so willing."

Lin Caisang muttered and looked at him with some reluctance.

But she also knew in her heart that he must have a lot of things to do. He could stay with her all day long. She didn't know how long he would be busy at night, so she couldn't disturb him too much.

"How can I give it up?"

Ya Molian looked at her deeply and said.

"So, I will wait for you here tomorrow. Come here, I will take you to visit Prince Mo's Mansion. You, the mistress of Prince Mo's Mansion, should also show your face."

"puff!"

Lin Caisang couldn't help but chuckle.

"Brother Mo Lian, this is too bad of you. You know that there are so many pairs of eyes staring at you, but you still let me show my face in front of others."

Of course, it's not bad to show her face. After all, no one can catch her who comes and goes freely. On the contrary, when she shows her face, many people will allocate some energy to her.

In that way, Brother Mo Lian can temporarily breathe a sigh of relief.

She really had to show this face.

In fact, Ya Molian really didn't have such an idea. He really wanted to take her to Prince Mo's Mansion so that everyone in the mansion would know who would be the mistress of Prince Mo's Mansion in the future. Don't fawn over the wrong person.

...

It was already dark, and Lin Caimulberry, who had taken the Thousand Needles Jade, took it back to Yacun. At this time, Yacun was quiet and there was no sound.

After dinner, Lin Caisang went to Ya Molian's house and lit the lights and cleaned it as usual. Then, Nangong Piao'er and Ya Yufeng came over, and the three of them sat down in the main room.

"Mother, there is something going on in the Zhou family again." Nangong Piao'er said to Lin Caisang.

"What's the noise?" Lin Caisang asked.

What kind of trouble can the Zhou family cause? After all the trouble last time, Old Master Zhou's face must have been almost lost, right?

What else are they trying to do?

"Mrs. Zhou went to the Sheriff's Mansion and discussed with the Sheriff Jiu Qianjin that she would forcibly marry you into the Zhou Mansion and make you Zhou Liang's concubine. However, the woman in the County Sheriff's Mansion seemed to agree to a higher status for herself in the future. Got Mrs. Zhou's idea."

Nangong Piao'er said.

"laugh."

Lin Caisang couldn't help but sneered.

Ugly people really do a lot of mischief. People in the Zhou family will feel uncomfortable if they don't come out and play around occasionally, right?

Do you really think she is that easy to bully?

"At this moment, that woman should be blowing wind into the governor's ear. I don't know what the final result will be." Nangong Piao'er added.

"What can we do? The county governor is not a fool, so he will naturally not agree." Lin Caisang said.

"Mother, I feel that regardless of whether the county guard agrees or not, we have to guard against this matter." Ya Yufeng spoke up, reminding Lin Caisang.
