

Star of Space 832

Chapter 832 Going to ask the emperor for someone

But there is one thing that her Sonny is really right about. When they are together, he is not the only one who can support her. Likewise, he should also give Sonny a chance.

An opportunity that could support him.

"Really, you agreed?"

When Lin Caisang heard his words, his eyes suddenly lit up.

"If I don't agree, are you going to follow me secretly?" Ya Molian asked her.

"Uh, this..."

Lin Caisang lowered his head feeling guilty after what he said.

She had thought that for the safety of Brother Mo Lian, she must follow him for a while. Anyway, she could stay in Shaohua City for a long time. At worst, she would follow him secretly.

"I'm not here for your body. With your body like this, can you reach the top of the White Blind Mountain without me by your side?"

"Oh, you."

He raised his hand and rubbed her head a few times.

"So, I can only ask the emperor for someone."

"You mean, let the emperor ask Suyang to ask for someone?" Lin Caisang raised his eyebrows.

Now it's fun. On one side, the emperor's son is in danger, and on the other side, Su Yang's son has just been cured of the poison. How should the emperor choose?

Of course, if it were an ordinary minister, the emperor would definitely ask for him without even thinking about it. G S H U X Q Q M

But that was Suyang, the national preceptor of Weiguo. Although in her opinion he was vulnerable, he still had some strength in his hands, and he also had the ability to fool people. Otherwise, the emperor would not be able to be courteous to Suyang. Three points.

At this moment, asking the emperor to ask Suyang for someone would simply mean that the two of them would fight, and fight hard!

"if not?"

Ya Molian put her hands behind her back, leaning up slightly, looking at her intently.

"If you go to Baibland Mountain now, you won't be able to come back in a month or two. You will definitely not be able to go to the Imperial Preceptor's Mansion to treat Suyang. I will ask the emperor to bring you directly. You can save the time. A lot of trouble, and besides..."

"Furthermore, can the emperor and Suyang have a grudge against each other?" Lin Caisang continued what he said.

"The best of both worlds, right?" Ya Molian asked her.

"hehe."

Lin Caisang also chuckled.

"It's just that Sonny..."

Ya Molian's eyes moved and she suddenly became serious.

"We are going to Baibind Mountain, and there are many dangers. You have to explain it to Ya Village. We can't let your grandpa and the others worry anymore," he reminded.

In particular, Lin Changfeng's autumn is approaching. This is also a major event for the Lin family and cannot be taken lightly.

"I will take care of this." Lin Caisang nodded.

As for Ya Molian, if the emperor wants to win over Su Yang, he will definitely hesitate for a while, and then it will take several days before he invites her to the palace to discuss the matter of entering Baibind Mountain.

Come and go, there is still enough time.

"Then when are you going to go to the palace to ask for help?" she asked.

"This matter..."

"Palace Master."

Just when Ya Molian was about to speak, Ban Jue came over from a distance.

"What's the matter?" he asked.

"There is news from the palace that Concubine Lian will leave the palace tomorrow and come to the palace to visit you. By the way, take a look at the girl you brought back." Ban Jue glanced at Lin Caisang and said to his palace master.

Hearing this, Ya Molian looked at Lin Caisang and raised her eyebrows at her.

"Look, I don't even need to go to the palace to ask for someone, the messenger will come to the door."
