Chapter 835 Disappointed Mother and Concubine

"Yes, concubine.

Nanny immediately retreated with a group of people, but on Yamolian's side, Banjue and Banwu, who came in with him, had no intention of leaving at all.

"Mo'er, I have something to tell you."

Concubine Lian looked at the two of them and said to Ya Molian meaningfully.

"Well, mother-in-law, please tell me." Ya Molian looked at her and said.

Concubine Lian: "..."

With the two of them present, what should she say?

"You let the two of them go down first.

"Mother, Concubine, Ban Jue and Ban Wu are here just to protect my safety. You also know that my health is not good, and I may get sick at any time. If Ban Jue and Ban Wu were not here, I would I can't talk to my mother and concubine at ease."

Yamo Lian put one hand on the chair handle and tapped the chair handle with her four fingers in turn, but the words that came out of her mouth struck directly into Concubine Lian's heart.

She gritted her teeth.

What does it mean to protect his safety? Doesn't it mean telling her that he already knew about her poisoning him before?

"There is no need to be jealous of them, mother and concubine. If you have anything to say, just tell me directly. Wingdings: 

"Mo'er, my concubine heard from your father yesterday that you brought a girl into the mansion. She is in the mansion now. It's rare for my concubine to come over. Why don't you bring her here with you so that your concubine can have a look?"

"Father is well-informed."

"She has her own home. She left yesterday afternoon. She can't see anyone, which will disappoint the mother-in-law."

Concubine Lian's face, which had finally softened, became stiff again.

Her son was really becoming more and more wary of her. She still couldn't figure out what kind of extraordinary person was around Sui Zimo who could let him know that she was the one who did this to him. Poisoned.

"It doesn't matter if you can't meet her. There will be plenty of opportunities in the future. Mo'er, tell your mother and concubine which family the girl you like is the daughter of. Mother and concubine would like to send someone to ask. You are not young anymore, either. It's time to ask your father for a marriage."

she asked.

"I don't need to bother my mother and concubine about this matter. I will take care of my marriage. I don't need to worry about my father." Ya Molian coldly rejected her intention.

Haha, tell them where Sonny lives, and then they can use Sonny to threaten him?

This is a good idea, but it's a pity that it's so beautiful!

"Since you didn't keep me by your side, it means you don't recognize my son. Concubine, why do you have to pretend to be affectionate with me at this moment? Why don't you come to Prince Mo's Mansion to speak frankly."

"this....."

Having said this, what else can Concubine Lian say? There is nothing more to say.

Indeed, her son had never been remembered by her since he left Shaohua City. Even if she had thought of him, it was only to use him to pave the way for her younger son.

"Mo'er, I don't know that you actually think so. Hey, it's just that I didn't go to your father's place and insisted on letting you stay in the palace. Are you... resenting me?"
