

Star of Space 843

Chapter 843 Just put on makeup

...

In the Golden Pearl Space, Lin Caisang decisively took out a set of men's clothing, put it on himself, and then pulled up his hair, properly dressing up as a man.

Then, he simply applied it on his face for a while, and then looked at the jade mirror.

"Brother Yujing, do you think I still look like your master?" she asked playfully.

'Dear master, even if you really become a man, you will still be the master in the jade mirror.' Several lines of words were displayed on the jade mirror, which seemed to be a very serious answer.

Lin Caisang: "..."

What does it mean for her to become a man? She will not become a man!

"I won't tell you anymore, I'm going out.

Her makeup skills are still very good. Now when she goes out, no one will believe that she is the girl who was followed just now, but that she is an extraordinary handsome young man.

Sure enough, after coming out of Jinzhu Space, until he came to the yard where Ya Molian was, he didn't feel anyone following him all the way.

After checking if there was anything strange behind her, she raised her hand and knocked on the courtyard door.

After a while, someone came to speak.

"This young master, who are you looking for?"

It was Ban Jue who opened the door. After seeing the man outside the door, his face turned cold and he asked stiffly.

The palace master's coming here is a top secret. Even Jiang Zuo and the others don't know. How did this young man get here? Could it be that you knocked on the wrong door?

"Look for your palace master." Lin Caisang glanced at him lightly and said.

Hearing this, Ban Zhi was startled. He looked at Lin Caisang with a murderous look in his eyes. If he hadn't tried his best to hold back, he would have been tempted to attack her with his hands.

Who is this young man? He actually knows his palace master, and he can even say that he is looking for his palace master so naturally.

"you....."

"Exiled Jue, you don't want to kill me so that the master of your palace will be alone for the rest of his life, right?" Lin Caisang felt the murderous aura in Exiled Jue and asked him angrily.

"ah?"

Ban Jue was stunned for a moment, but quickly came to his senses.

"Master... mistress?"

After lying down for a long time, he was thinking about why this young man's voice was so familiar. It turned out to be his mistress.

He quickly turned sideways and let his mistress in first, then closed the courtyard door. Then, he couldn't help but secretly look at his mistress's face and swallowed a sip of saliva.

"Mother, is your face disguised?"

This disguise technique was so powerful that even he didn't see any flaws in it.

You must know that when he was in Ya Village, when the palace master went out for business, he would disguise himself as the palace master and practice it with others in Ya Village. Therefore, his disguise skills were also used by several of the palace master's subordinates. Among them, the most powerful.

His mistress's face was such that even he didn't see any flaws in it.

"No disguise, just makeup." Lin Caisang curled his lips and said.

Who knows that this world is too sinister, there are so many evil-minded people, and they are setting up a big net to catch her as a little girl. Her abilities were all forced out by those people.

"Where is your palace master?" she asked.

"The palace master is inside, my subordinates will take you there." Ban Jue immediately brought Lin Caisang to the study.

...

In the study, he was holding a copybook in his hand. It was Ya Molian who was thinking about it carefully. When he heard the footsteps outside, he raised his head. When he saw the person coming, he was stunned for a moment and then stood up quickly. .

The new year of the Gregorian calendar has begun. I wish everyone a happy New Year and may all your wishes come true!
