

Star of Space 854

Chapter 854 He thought, it must be possible

"Brother Changfeng, you are really kind."

Hearing his doubts, Lin Caisang chuckled and shook his head.

"Do you think that without Old Master Zhou's secret permission, Mrs. Zhou would deal with our family so openly? You forgot that Old Master Zhou was actually the one who came to propose marriage that day."

"That's really what he meant!" Lin Changfeng gritted his teeth.

"Old Master Zhou should not be underestimated," Lin Caisang said.

"A person who looks kind-hearted is actually more poisonous than anyone else on the inside, comparable to a poisonous snake! I now doubt whether the incident in which I was deceived and sold by Liu Rumei was also the handiwork of Mr. Zhou.

What's more, if Zhou Liang fails this test and you pass it, the Zhou family will really lose their face! It is impossible for such a shrewd person as Master Zhou not to have thought of this.

Therefore, instead of watching the person you despise climb faster than you and step on you, it is better to use Mrs. Zhou to destroy you in one fell swoop. In that case, even if his grandson really lives in this life Even if he fails to pass the examination, he will not be said to be ignorant. "

Listening to his sister's words, Lin Changfeng couldn't help but swallow.

"Old Master Zhou, is he really such a person?"

You know, the reputation of Old Master Zhou in their Ya Village has still existed over the years, and many people still admire this old man.

How could he have imagined that Old Master Zhou could be such a poisonous person?

However, the facts told him that no matter how much he didn't want to believe it, no one in the Zhou family was really a good person. If he really regarded the people in the Zhou family as good people again, he would die headlong.

"You don't need to say anything, I know the Zhou family's heart."

Seeing his sister open her mouth, he immediately interrupted her and said.

However, he couldn't help but look at his girl up and down, looked at her dress, and couldn't help but ask.

"I still don't understand. Does what you are talking about have anything to do with the way you are dressed now?"

Does it matter?

The relationship is big, okay!

"Brother Changfeng, I think that since even the Zhou family thinks that Zhou Liang is basically useless, then let him completely fail the exam and never have the chance to enter the exam room again in the future."

Lin Caisang said.

People like Zhou Liang cannot give him a chance. Once he is given a chance, he will be trapped in eternal disaster.

"What are you going to do?" Lin Changfeng asked.

"Tell me, if Zhou Liang saw me outside the examination room and learned from you that I was Lin Caisang, whom he had tried every means to break off, would he regret it so much that he couldn't even hold a pen? Um?"

Lin Caisang asked him.

Lin Changfeng: "..."

He thought, it must be.

Zhou Liang will not only regret it, but also have some small thoughts in his heart. After all, that scum really can't withstand any big storms.

Even Liu Yushui's beauty could seduce him away, let alone his girl Sangsang who dressed up like a fairy daughter. He estimated that Zhou Liang was blind in this Qiuwei exam.

"You think that's okay too, right?"

Although he didn't speak, Lin Caisang knew that Lin Changfeng agreed with her idea.

"It's okay, it's just..." Lin Changfeng hesitated for a moment and didn't say anything else.

"Just what?"

Lin Caisang asked.
