

Star of Space 860

Chapter 860 A hint of flattery

Before the waiter could finish his words, when he saw Lin Caisang getting off the carriage, his face was suddenly filled with smiles. Wingdings:

"Sang Sang, does he know you?" Lin Changfeng asked his sister.

When did his family Sang Sang know so many people, including people in Ye County? Moreover, what he wanted to ask just now was, when did Sang Sang come to Qi Yuan?

"Um."

Lin Caisang lowered his voice and responded, nodding his head.

"The restaurant belongs to Brother Mo Lian. He brought me here for dinner."

Lin Changfeng: "!!!"

This... what does this mean? At first glance, he thought that this restaurant, which would spend money like water, was opened by Yamolian?

He felt that he no longer knew Ya Mo Lian. Is his brother Mo Lian still the same Ya Mo Lian who lived next door to their house?

"This this....."

"Brother Changfeng, this is nothing to make a fuss about. Have you seen the building over there?" Lin Caisang casually pointed to the other side, a place quite far away.

But even from a distance, Lin Changfeng could still see the most eye-catching characters upstairs, which read - Baiwei Snacks!

"I saw it, it doesn't seem to be a restaurant?" Lin Changfeng glanced at it, then looked away, and asked doubtfully.

He thought that a building as big as the one in front of him, with several floors, would be a restaurant, but that building was obviously not. It was really strange.

"Well, it's not a restaurant. It only sells snacks, dried fruits and so on. It also sells some medicinal wine to replenish wine..." Lin Caisang responded.

Hearing this, Lin Changfeng's mouth twitched uncontrollably.

So why do these things sold by Baiwei Snacks sound so familiar to him?

After living in Menghuang Mountain for so long, it is impossible for him not to know what is there on Menghuang Mountain, and all the things his sister mentioned just now are available on Menghuang Mountain.

"Sang Sang, you don't want to tell me about those hundred-flavor snacks..."

"I drove it."

Lin Caisang took over his words.

Lin Changfeng: "..."

Sure enough, his guess was right.

But when did his Sangsang become so powerful? He really never expected it.

"Let's go in and eat first." Lin Caisang led him into the restaurant.

...

A few days passed quickly. After getting Lin Changfeng familiar with Ye County, Lin Caisang plunged into the Jinzhu Space again and continued to make her clothes.

And on this day, it was time for her to treat Su Ri's poison.

As soon as she entered the Imperial Preceptor's Mansion, she could clearly feel that the servants in the Imperial Preceptor's Mansion treated her differently from the previous times.

The first few times these people saw her, they had nothing but fear. But now, she could clearly feel that there was a hint of flattery in the eyes of these people looking at her.

It seemed that the entire Imperial Preceptor Office knew that the emperor wanted her to go to Baibind Mountain.

"Steward Xin, what's wrong with them? Is this the first time they see this girl?" She asked Butler Xin full of doubts, pretending not to know anything.

When the latter heard her words, he secretly twitched his lips.

Even if it's not the first time I've seen you, it's different now. You are someone who can enter the palace. If you can successfully rescue King Lin this time, you may become a popular person around the emperor.

Although his elders are also popular people around the emperor, they are different after all.
