

Star of Space 864

Chapter 864 I don't know if it's fun or not

"I think this Eunuch Su's mouth shape is not good and can be changed. What do you think, Imperial Master?" Lin Caisang said.

Suyang: "!!!"

It was blinded just now. Now, as he guessed, could this girl just make Eunuch Su mute?

Sure enough, as soon as this idea came to an end, he saw a dark shadow rushing in from outside and pounced directly on Lin Caisang, but the guards behind him were faster and pushed Eunuch Su back.

"Ah, ah, ah!"

Eunuch Su glared at Lin Caisang angrily, waving his hands constantly as if he wanted to eat Lin Caisang alive.

But Lin Caisang, on the other hand, was sitting there as if nothing had happened. He even picked up a piece of pastry, took a bite, and then looked up at Eunuch Su.

"I would like to trouble Eunuch Su to tell the emperor that next time you send someone, please send someone with some brains. Don't let all the crazy dogs out. It would be bad if it bites people. Even if it doesn't bite people, it would be bad if it bites flowers and plants. "

She slowly met Eunuch Su's eyes and spoke calmly.

"Also, I really want to give it a try. How are Eunuch Su going to take me into the palace? Otherwise, Eunuch Su should let the emperor come and try it in person. I... we will wait and see."

Hearing this, Eunuch Su took a deep breath and couldn't help but swallow.

This stinky girl is a little too bold. Does she dare to speak to the emperor in such a tone? Aren't you afraid of being betrayed by the emperor and having everyone in your family beheaded?

"Why are you still standing there? Send Eunuch Su to the palace gate."

Suyang glanced at Eunuch Su impatiently and gave instructions to the guards.

I really don't know how someone with such a lack of vision could do things for so many years under the eyes of the emperor.

But when you think about it, it makes sense. In these years, Eunuch Su has been by the emperor's side and been fawned over by others. He is no longer the submissive little eunuch he used to be, doing whatever others want him to do.

The higher the status of the person he followed, the higher his own morale. When he saw a doctor like Lin Caisang, and a female doctor at that, he instinctively wanted to step on the emperor's feet first and kill her spirit.

This may be the emperor's intention, to send Eunuch Su out first to take the lead.

But he didn't expect that they really hit the wall this time. The girl in front of him couldn't look at anyone's face. He didn't care about anything else and kicked Eunuch Su out directly.

Who let his son's life still be in Lin Caisang's hands? With his son and an outsider, he naturally turned towards his son.

"Girl, you... also know what happened when Eunuch Su came here today, right?" He smiled obsequiously at Lin Caisang and asked tentatively.

"What's the matter..."

Lin Caisang put one hand on the table, holding his chin, and his lazy eyes fell on the table in front of him.

"White Blind Mountain? I've never been to that place, and I don't know if it's fun or not."

After hearing her words, Suyang couldn't help but twitch the corners of his mouth. This girl is really big-hearted, but she is also really capable.

If someone else had said this, he would have definitely sneered and said directly that the other person was ignorant of the sky and the earth. But it was Lin Caisang who said this, and he actually felt that she was just stating the facts, and Bai Blind Mountain was indeed It didn't catch her eye.
