Chapter 868: This person...don't mention it

"Your Majesty, if the imperial master brings the female doctor into the palace, should King Xuan Mo enter the palace with him? After all, he is going to Baibind Mountain with King Mo. It would be a good thing if we can meet him today. I have a number in mind.

Furthermore, Your Majesty, the matter of rescuing His Royal Highness King Lin is urgent. If all the female doctors enter the palace, the Emperor can take advantage of King Xuan Mo's entry into the palace to issue an imperial edict directly to him. By then, King Mo will no longer want to It's impossible to pick up.
"

He looked at the emperor carefully and suggested.

"Okay, your method is good."

The emperor was very satisfied after hearing what he said, and a smile appeared on his face unconsciously.

"Xiao Guizi, please remind me that if you have merit, you will be rewarded. In addition, King Xuan Mo will enter the palace immediately!"

"Thank you, Your Majesty.

After Xiao Guizi got the order, he retreated and ordered people to go to King Xuanmo to enter the palace.

...

Not long after, two luxurious carriages met outside the palace, and they could only move forward one behind the other.

Suyang opened the curtain of the carriage and looked at the carriage on the opposite side. His face was stern and he muttered something to the coachman. Soon, Suyang's coachman walked to the carriage on the other side and said a few words to the coachman.

The coachman was not polite and drove forward without even looking at the solemn coachman.

This scene was all seen in solemn eyes, and he snorted softly in the carriage.

"Who is sitting in the carriage in front?" Lin Caisang asked Su Yang with his eyes closed while sitting in the carriage.

"It's Prince Jin's carriage. This person...don't mention it." It was obvious that when he mentioned this person, his solemn expression was filled with impatience and he didn't want to see this person at all.

"Prince Jin? Ha."

Lin Caisang murmured.

Isn't Prince Jin the biological brother of her brother Mo Lian?

It's a pity that she heard that Prince Jin had a sinister and vicious nature. Even though he was only sixteen years old, he had already done many things that were harmful to nature and unacceptable to nature.

"He also enters the palace?"

"Maybe I heard that you are going to the palace, girl, and want to see what happens?" Suyang said.

What he didn't say was that he didn't think King Jin was just here to see what was going on. Last time he went to the door of his house specifically just to see Lin Caisang.

Now, he finally had an upright opportunity, how could he miss it? Naturally, he quickly entered the palace.

"What are you looking for? Does Prince Jin also want to go to Baibind Mountain with us?" Lin Caisang opened his eyes and asked.

But when Su Yang heard her words, he sneered.

As for King Jin, would he want to go to Baibind Mountain? Even if he had ten courages, he would not dare to go to that dangerous place.

However, he was very suspicious that given King Jin's temperament, when he heard that King Mo was going to rescue King Lin, he would do nothing and just watch quietly, maybe because he wanted to add insult to injury, right?

"Looking at you, you seem to be quite jealous of him. Is he... scary?" Seeing that he didn't answer, Lin Caisang asked again casually.

"horrible?"

Su Yang let out a soft chuckle to express his mood at the moment.

He didn't feel it was scary or anything, but Sui Zijin...

"A person like that can only be described as sinister. What's so scary?" What's scary is that his mother-in-law pretends to be a kind-hearted little white lotus every day, but in fact she is darker inside.

"Imperial Master, you dare to say anything. He is indeed a popular figure around the Emperor." Lin Caisang said quietly.
