

Star of Space 872

Chapter 872 That fool

"Your Majesty, what should we do now? How about after meeting with Concubine Lian, you can take your subordinates to visit the Imperial Preceptor's Mansion?" Dou Qiankuo suggested.

His prince originally came to see the female doctor, but he only saw her back. He was so angry that he might as well go to the Imperial Preceptor's Mansion and wait. He didn't believe it, and Suyang couldn't go back to the manor yet.

"No need, go to the concubine." Sui Zijin shook his head.

So what if he went to the Imperial Preceptor's Mansion, he still wouldn't be able to see the female doctor, so he might as well rest.

When Dou Qiankuo saw that his princes had left, he quickly followed them.

...

In the imperial study room, Lin Caisang and Imperial Master Su Yang were admitted together, and Ya Molian was already sitting aside. Her face looked cold, and the temperature in the imperial study room suddenly dropped. several times.

Lin Caisang saw Guo Suyang kneeling down towards the emperor, but she just raised her eyebrows without bending her knees.

"Girl, kneel down quickly."

Suyang lowered his voice and reminded her when he saw her like this.

This is the imperial study room. The emperor is right in front of you. How can you not even bend your knees? If the emperor got angry, he would probably pull her out and chop her.

"Why do I have to kneel down?" Lin Caisang asked him in a voice that was neither too loud nor too quiet, so that everyone in the imperial study could hear it.

"hiss!"

Suyang couldn't help but take a breath of air and looked at the emperor sitting in the first seat.

"Little girl, you are quite courageous, huh?" The emperor looked at Lin Caisang with cold eyes, and his words were just a faint word, but it had a strong pressure, which made Su Yang's body lowered even more.

"Does this have anything to do with courage? My knees, my knees, my parents and elders. Others are not within the scope of my calculations." Lin Caisang did not take the emperor's pressure into consideration at all. , the words are even more indifferent.

"By the way, Your Majesty, you didn't come to this girl just to discuss whether or not to kneel to you, right?"

"Ah."

The emperor couldn't help but chuckle after hearing his words.

It's just that there is some truth in this smile, and only he can see it.

"I heard that Eunuch Su, who is with me, offended the girl in the Imperial Prefect's Mansion?" he asked.

"Your Majesty, regarding Eunuch Su..."

When Suyang heard the emperor mentioning Eunuch Su, he wanted to explain a few words to Lin Caisang, but was stared at by the emperor coldly. His scalp suddenly became numb and he could only swallow everything he said.

"It turns out that the idiot who was in the Imperial Preceptor's Mansion before was actually someone close to the emperor. That's no wonder." Lin Caisang seemed to have just learned this fact, and raised the corner of his mouth to show that he understood.

Suyang: "..."

Girl, what are you talking about?

What do you mean by that fool? Since you have already said that Eunuch Su is a fool, why do you still mention the words "the emperor's side"? Forget about that. Why do you add a sentence at the end? Is it any wonder?

This sentence is very reminiscent of Pianpian.

Do you want to say directly, Your Majesty, you are a fool, so everyone around you is also a fool?

At this moment, Imperial Master Suyang really wanted to die.

Don't be so deceitful, girl, you must know that you came from the home of the national master, and you represent the national master. If you speak so rudely, the first thing the emperor will think of is to kill the national master.
