

Star of Space 873

Chapter 873 It's too easy for him to die like this

"What do you mean by this, girl?"

Sure enough, when Su Yang raised his head, he saw that the emperor's eyes had narrowed dangerously, staring at Lin Caisang full of displeasure.

"laugh."

Lin Caisang, however, ignored the expression of the person in front of him and continued to sneer.

"I am traveling among the countries and have a good reputation. Of course, there are many people who want to kidnap me to treat certain people. But the Eunuch Su who is beside the emperor is also considered a What a strange person."

As she spoke, she grinned and looked at the emperor with sarcastic eyes.

"In front of this girl, he discussed with Master Su how to tie me into the palace in such an upright and open manner. This girl has never encountered him before, and that Eunuch Su can be regarded as the first person.

"Um?"

The emperor narrowed his eyes sharply and glanced at Su Yang who was kneeling on the ground and had not yet gotten up.

"National Division....."

"Your Majesty, what she said is indeed true. Weichen has reminded Eunuch Su repeatedly. He refused to listen and even suggested to Weichen that he could just tie the girl into the palace."

Suyang could only tell the truth. After all, he was telling the truth. Even if he lost the emperor's face, he was talking about the people around the emperor. With his status as a national master, he could still handle it.

But if he didn't tell the truth and offended Lin Caisang, then the gain would really outweigh the loss.

"Wei Chen was helpless, so he ordered the guards in the palace to send Eunuch Su back to the palace."

Hearing this, the emperor took a deep breath and scolded Eunuch Su countless times in his heart.

It seems that this dog slave has been by his side for too long. He really feels that he is so great. He dares to offend anyone. Does he really think that he is inferior to one person and superior to thousands of people?

He secretly made up his mind that after this matter was dealt with, he would demote Eunuch Su to do the most painful and tiring work and stay in the cold palace. It would really be an advantage for him!

"In that case, it's Eunuch Su's fault." He spoke to Lin Caisang in a calm voice.

"The girl is a person of great talent. I told him before that he should speak kindly to the girl when he saw her, but I never thought that he would be so obedient and contrary to the truth. I really deserve to die!"

And if he died like this, wouldn't it be too cheap for him?

"It's good if the emperor understands." Lin Caisang said nothing and shrugged.

"Father, you are not here to talk about Eunuch Su today, are you? Moreover, our Imperial Master has been kneeling for a long enough time. If he continues to kneel, I am afraid that his legs will be broken."

At this time, Ya Mo Lian, who was sitting nearby, spoke up, pulling everyone back from their thoughts.

When Su Yang heard this, he really won his heart. Although Prince Mo's words were really unpleasant, what did it mean that his leg was about to be broken?

But it's not a problem for him to keep kneeling and listening to the emperor and Lin Caisang talking, right? You have to let him get up first, right?

In this regard, he was quite grateful for Prince Mo's venomous tongue at the moment.

"National Master, please get up."

The emperor glanced at Su Yang lightly and ordered him to get up and speak first, and then continued to focus on Lin Caisang.

"Girl, the Imperial Master must have told you that the reason for inviting you to the palace this time is to discuss going to Baibind Mountain to rescue King Lin. He has been in Baibind Mountain for a long time, and I am very worried."

It was more than just worry. If he kept waiting like this, he would doubt whether his son would still be alive.
