Chapter 875 Show off all your special skills

"Your Majesty, this is no longer a question of whether I want to make any request.

Facing the emperor's words, Lin Caisang was not polite at all, and did not take the obvious meaning of his words to heart at all.

"It is absolutely impossible for King Mo's body to survive in Baibind Mountain for too long. I think the Emperor understands this better than me, right? But even so, Your Majesty, do you still want King Mo to go to Baibind Mountain to save King Lin? "

she asked.

"this....."

The emperor glanced at King Mo and gritted his teeth.

"This trip to Baibind Mountain must be done by King Mo. I hope the girl can bear with me.

Hearing this, not only Ya Molian, but also Su Yang, who was silent at the side, felt that there was something strange about the emperor's words.

Is the meaning of Lin Caisang's words clear enough? This means that she can go to Baibind Mountain alone, with or without King Mo, there is no difference at all.

What's more, if Prince Mo's body is now poisoned, he may become a drag on Lin Caisang if he goes to Baibind Mountain.

But he didn't understand why the emperor still wanted King Mo to go to Baibind Mountain even though he had said it so clearly? Could it be that the emperor wanted King Mo to die in Baibind Mountain?

This is possible, after all, it is true that the emperor hates King Mo.

"Does the girl dislike this king? Huh?"

Ya Molian narrowed her black eyes slightly, glanced at Lin Caisang with a hint of danger, and asked. 6 9

What kind of evil idea does this girl have? What is the purpose of testing the emperor like this? Does the emperor want him to go to Baibland Mountain to save King Lin? Is there any other purpose?

Thinking of this, he couldn't help but look at the emperor one more time.

Could it be...

"It's not that I dislike it, it's just that King Mo, you should know your body well, right?" Lin Caisang said.

"I know very well that since the girl has said so, I really have to go to Baibland Mountain." Ya Molian said.

No matter what the emperor's purpose is, he can just go to Baibland Mountain to have a look in person.

"hehe."

Lin Caisang just smiled lightly after hearing his words.

"Even so, then... I can only choose a few more satisfactory treasures from the emperor's treasury. After all, it is not easy to escape from Baibland Mountain with two lives, not to mention, going all the way there Bai blind mountain, and the one from the national master's family, I have to show off all my special skills this time."

Yamolian: "..."

Little girl, when you talk big words, can you be considerate of why your husband and I are still standing here?

"Besides, Your Majesty, we are the first ones to say ugly things. If something goes wrong along the way and King Mo's body is his own fault, I will not be responsible for this."

Lin Caisang looked at the emperor and continued.

"Of course, I will pay attention to this." The emperor nodded and said.

...

Not long after she was in the royal study, Lin Caisang came out and was taken to the treasury by the imperial master to choose something she could like.

But in the imperial study room, Ya Molian still didn't come out. The two father and son were fighting at the moment.

"Father, the female doctor just said that it would take a few days to prepare some things. I think I should also be prepared. What do you think?"

Ya Molian looked at the emperor intently and said meaningfully.

Hearing this, the emperor took a deep breath and said, "I understand. You go back to your home first and wait for the news."
