

Star of Space 877

Chapter 877 Being lured to Baibind Mountain

"Did you ask him for an antidote?" Lin Caisang asked.

This is the most important thing. To be honest, she really doesn't like other things. At most, it only makes the emperor a little angry.

"I told you to wait."

When the antidote was mentioned, Ya Molian's eyes darkened a bit.

"You want to wait? What are you waiting for?"

Lin Caisang was puzzled. Wasn't it the emperor himself who poisoned him? The antidote must also be on his body. Do we still need to wait?

Could it be that the emperor had placed the antidote in a very hidden place because he was afraid that Yamolian would send someone to follow him and steal all the antidote? Then he won't be able to control Ya Molian?

But this isn't right either.

Even if all the antidote is taken away, it is only an antidote to delay the onset of toxicity, not a real antidote, so what use can it be?

"Brother Mo Lian, I always feel that something is very wrong about this matter." She said.

"Have you seen it today? I have made it so clear. As long as I go to Baibind Mountain alone, I can rescue King Lin. There is no need for you, King Mo, to go there, but the Emperor...he It's obvious that I want you to go to Baibind Mountain!"

"Um."

Yamolian responded.

He naturally came up with this.

Not to mention him, even Su Yang, as a bystander, saw this fact clearly, right?

"Then the question is, why does he have to let you go to Baibind Mountain? Or, is there anything attractive on Baibind Mountain that only you can get?"

Lin Caisang asked.

All of this seems so abnormal. There may be a deeper and terrifying conspiracy in the emperor's heart, but they don't know what it is.

"Perhaps King Lin was lured to Baibind Mountain by someone." Ya Molian was silent for a while and then said to her.

"What?"

Lin Caisang was startled and instinctively wanted to refute, but she felt that what Ya Molian said had already reached her heart.

"Why did he do this? Is it just to let you go to Baibind Mountain? What is there on Baibind Mountain?"

The person Ya Molian was talking about was most likely the emperor. Even if it wasn't the emperor himself, it was the emperor who secretly instructed others to lure Sui Zilin to Baibind Mountain.

But this purpose...

Is it just to let Yamolian go to Baibind Mountain? What on earth is there that makes the emperor willing to let go of his most beloved Prince Lin? !

"It seems that this trip to Baibind Mountain is a must." She said.

"Um."

Yamolian responded.

"call."

Lin Caisang exhaled lightly.

"Brother Mo Lian, I have made a list of things that need to be prepared for Jiang Zuo and Zhong You. They will prepare them. I have to go back later. The exam will start tomorrow. I am worried about Brother Changfeng. Alone in Ye County."

she said.

"Okay, be careful yourself." Ya Molian nodded.

"The Zhou family hasn't done anything evil recently, right? If they dare to show up, there's no need to be polite to them, just kill them."

he warned.

At this time, Zhou Liang, who has the same competitive goal as Lin Changfeng, will come up with some evil ideas. Even if Zhou Liang doesn't have the brains, Mrs. Zhou will not do nothing.

Therefore, Sonner is probably very busy here.

"Half of it has been destroyed. Just go and destroy the other half tomorrow morning." Lin Caisang said.

Mrs. Zhou, whatever you want to do with her depends on whether she has the destiny!
