

Star of Space 900

Chapter 900 Knock you down directly

"I only heard that there are white spiders on Baibind Mountain, but no one has ever seen white spider silk. Where did you get it from? Did you go to do a mission somewhere again? Huh?"

he guessed.

"ha."

Lin Caisang chuckled.

"I know you can't guess that this white pearl silk is the piece of Thousand Needle Jade that I bought with you last time. After melting it, I only got these two balls of Thousand White Spider Silk."

She gestured with both hands in front of herself.

"However, this white spider silk is really useful. When I go to Baiyun Mountain this time, I want to catch some white spiders to keep. I don't know if I can catch them. It's just a little troublesome when I make clothes. Son."

"You.

Ya Molian glanced at her helplessly.

Whenever this girl sees something good, she wants to hold it in her arms.

But yes, if the white spider silk is really that good, they can catch some while going to Baibind Mountain this time.

"It's up to you. I'll catch more white spiders from Baibind Mountain and bring them back," he said.

Lin Caisang: "..."

Does her brother Mo Lian really think that white spiders are so easy to catch? I need to catch more and bring them back. It's not certain whether I can touch them, right?

"White spider silk has a warming effect. In addition to the ice silkworms from last time, I also raised them with medicinal materials. It is good for your body. You can wear them first. I will have more ice silkworms and white spider silk later. Then I'll make some replacements for you."

she said.

"good."

After hearing her words, Ya Molian naturally responded.

He stood up, looked in the direction of the carriage, and then spoke to her.

"Wait a moment, I'll go and change it."

"OK."

Lin Caisang nodded.

It just so happened that she also wanted to know whether her hands were lucky and whether the clothes she made would fit him.

However, when Ya Molian came out of the carriage again and put on a pair of pure white clothes, not to mention Butler Xin and others, even Ban Jue and Jiang Zuo were stunned.

They couldn't even imagine that King Mo, who had always been regarded as the King of Darkness by the Wei Kingdom, would ever wear white clothes.

Moreover, looking at Ya Mo Lian, who is dressed in white clothes, even in this night, it can make people look like an immortal, as if they are like a character walking out of a painting.

"Tsk."

Lin Caisang just clicked her tongue and frowned a little.

"If I had known better, I should have dyed the thread black."

"What's wrong? It doesn't look good?" Ya Molian asked her in confusion.

She looks like she regrets giving him these clothes? However, what the little girl made for him was just the inner lining, but he actually put on the white shirt himself.

"It's not that it doesn't look good, it's..."

Lin Caisang moved his nose like an animal, with a look of reluctance on his face.

"What is it?" Ya Molian asked.

"I'm afraid that if you go out wearing this, some ignorant people will knock you down." Lin Caisang said.

"Ah."

Ya Molian couldn't help but chuckle.

"Sang'er, don't you have confidence in me? No one dares to knock me down except you, don't worry."

"snort."

Lin Caisang snorted coldly and said nothing more.

On the other side, Butler Xin and his party couldn't hear what the two said clearly. They only knew that King Mo went to the carriage to change his clothes, and they didn't know that the clothes were given by Lin Caisang.

However, seeing Lin Caisang and Ya Molian talking to each other like no one else was watching, Butler Xin still felt as uncomfortable as a cat scratching his heart.
