

Star of Space 914

Chapter 914 Following us

Just wait and see, after rescuing King Lin this time, he will be sent to guard the corner!

"Okay, I understand.

Now, he could only grit his teeth and agree. No matter what, he had to rescue King Lin first.

"Girl, are you ready?" he asked Lin Caisang.

"Shut up!"

Lin Caisang turned around, glared at him sharply, and then turned to look at Ban Jue and Ban Wu again.

Commander Mo took a deep breath and turned to look at his subordinates.

"Later, you two, remember not to step on that money. I don't believe what they can do!" He lowered his voice and ordered the two subordinates closest to him.

"Yes, chief."

The two subordinates responded and didn't think it was anything.

It's just the first step into the mountain. Why make it so complicated to show that they are capable?

They really can't stand the group of people like King Mo, who try to make themselves superior to others every day. In fact, in their eyes, these people are nothing, just garbage that can be disposed of at any time!

"Master, it's ready."

Exile Jue stood up, and soon Exile Wu stood up as well.

"good."

Seeing them getting up, Ya Molian nodded.

"Later, you two hold hands and go in together. Remember, never let go. If you encounter resistance, the person on the right should not make any move. The person on the left can just pull the person on the right towards you. Understand. Yet?"

He told the people on his side. Of course, Commander Mo's people were also around and could hear him.

However, those people didn't care about Ya Molian's words at all, they just felt that he was making too little mention.

"Tsk, is it so scary? It's as if everyone is going to die." Commander Mo rolled his eyes and muttered softly.

"If you want to die, just go find it yourself." Jiang Zuo glanced at Commander Mo and said sadly.

If it wasn't for the fact that this person was sent by the emperor, he would have poisoned them and killed these brainless guys. Why did his companions disappear right in front of their eyes? Why didn't he take it seriously? .

"You...who do you think you are!" Commander Mo yelled angrily.

What happens now? Not only Lin Caisang and Ya Molian, but also the dog next to Ya Molian can disrespect him?

"you....."

"Jiang Zuo, you and Jiang Li are following us."

He was still about to have an attack, but he heard Ya Molian making a sound over there. Together with Lin Caisang, they stood with their hands clasped, one on the left and the other on the right, ready to go to Baibind Mountain.

"Yes, Master."

Jiang Zuo responded immediately, ignored Commander Mo, and walked to Jiang Li's side.

Although he was arrogant, he was also very self-aware. He knew that his skills were not as good as Jiang Li's, so he took the initiative to stand on the right side.

"Are you ready?"

Ya Molian glanced at Lin Caisang and asked her in a deep voice.

Lin Caisang didn't speak, just nodded.

The next moment, the two people raised their feet at the same time and stepped on the half of the footprint. At the same time, the soles of their feet just entered the boundary.

'Hoo, ho!'

When their bodies entered the boundary at the same time, they could only hear the whistling wind in their ears. The next moment, the hands held tightly by the two felt tight, as if they were being held by something.

"Sonny!"

Ya Molian felt as if the hand she was holding tightly was about to leave her. He immediately stretched out his other hand and grabbed Lin Caisang's hand tightly.
