

Star of Space 916

Chapter 916 How is it possible to do this!

"Commander Mo, did we fail to remind you, or did you simply disdain our reminder? Do I still need this girl to tell you clearly?"

"Then...so what? It's not you who are losing people now, it's me! Prince Mo, please don't forget that this official was sent by the emperor. How can you explain to the emperor that you acted like this?"

Anyway, no matter what, he has to put all the losses on his side on Ya Molian's head.

"When do I need to explain to the emperor what I do? What's more, you brought those people, what do they have to do with me?" Ya Molian threw the question to him in a cold voice.

"you--"

Commander Mo was stimulated by his words.

He couldn't help but wonder in his heart, did King Mo deliberately provoke him and make him disobey them, so that he could wipe out all his people silently? Isn't this the case? ?

"Prince Mo, did you do this on purpose? You deliberately made the official disobey you so that you could get rid of all the people brought by the official?!"

"Damn, are you sick?"

When Lin Caisang heard him shouting "Catch the thief", she couldn't help but scolded him directly.

"A person like you doesn't care about the life and death of the people under your command. He doesn't obey orders and acts recklessly. You dare to say that King Mo did it on purpose. I think it was you who did it on purpose. I think you did it on purpose." The more people under your command die, the better. You must have been ordered by someone to not save King Lin, right?"

"You're talking nonsense, how could I possibly do this!"

Commander Mo was so angry that he really wanted to spit out a mouthful of blood.

"It must be Prince Mo, it's him..."

"I've seen someone arrogant, but I've never seen someone so arrogant. King Mo, can I just silence him and end it all?" Lin Caisang interrupted Commander Mo's words and asked Ya Molian with a raised eyebrow.

Is this Commander Mo sent by a certain monkey king to perform acrobatics?

"random."

Ya Molian glanced at Commander Mo lightly, and uttered two words from her thin lips.

"hiss!"

When Commander Mo heard this, he suddenly gasped.

"You, you guys..."

"Shut up, you!"

Lin Caisang gave him a cold shout.

At this time, it was naturally impossible for her to really silence the ignorant person in front of her.

"If you continue to talk nonsense, this girl has really poisoned you! You still think you are in your comfortable big bed now. This is White Blind Mountain!"

Commander Mo's face turned red after being scolded, but he could not utter a single word.

Yes, this is Baibind Mountain, the most dangerous place in legend. If they are not careful, they will die without a burial place. At this time, except Lin Caisang and Ya Molian, he has no one else to rely on.

And although the people he brought here sounded like the emperor's bodyguards, top-notch elites, there was still a gap between them and the people who came from Prince Mo's Mansion.

"Girl, tell me, what should we do now?" he asked Lin Caisang.

"King Mo?"

Lin Caisang didn't say anything, just looked at Ya Molian.

"Sir, there is a wild beast coming towards us. It feels like it is coming from that way." Suddenly, the voice of Wu Wu sounded, pointing in one direction to remind them.

Naturally, Ya Molian noticed it and directly pulled Lin Caisang's hand and walked in the opposite direction where Ban Wu pointed.

Others quickly followed.

However, human footsteps are not as fast as those of beasts. Soon, the group of people were surrounded by unknown beasts.
